

EDUCATION WEEK - 3/4 INCURSIONS

Incursion	Techkids - Robotics with Lego® WeDo LEGO® Education on WeDo is a simple-to-use, cross-curricular tool that enables students to learn, construct and then bring their Lego builds to life using an intuitive drag-and-drop software. Students will work in groups, build their Lego models with motors and sensors then use the laptop to program and control their builds.
Venue	PAC or 3/4 Classroom
Date	Monday, May 22
Time	11.30am - 1.00pm
Cost	Covered by incursion/excursion levy

Incursion	Woodstack Fire & Food Three staff members from Woodstack Fire & Food will be working with our students to make their own fresh and healthy wood fired pizza and use that experience as a follow up to our ANZAC Biscuit Bake Off – reinforcing scientific and mathematical concepts through cooking. The incursion will also act as a springboard for our series of lessons on procedural writing.
Venue	Outside the PAC
Date	Wednesday, May 24
Time	11.30am - 1.30pm
Cost	Covered by incursion/excursion levy
