Class teachers appreciate classroom helpers as an important aspect of working with parents and families to support student learning. Students also welcome their parents' involvement as a regular and enjoyable highlight of the school week.

If you are interested in assisting in the classroom under the guidance of the classroom teacher this induction program will help you:

- Develop an increased understanding of the development of literacy skills.
- Understand how to act as role models for students in classrooms.
- Develop an understanding in how to provide effective literacy support for individual or small groups of students.
