

Below are some images that show how your child's reading should be recorded each night across the year levels.

Term 1, 2018					
Week	Day 1	Day 2	Day 3	Day 4	Day 5
Beginning					
12/2					
19/2					
26/2					

Prep – 2: Reading Log

Parents should initial each night that their students read in the appropriate column. You will notice these are labelled day one, two... as students are to read five nights a week, this may be done on weekends.

3/4: Reading diary

Students shade in every night they read and ask an adult to initial when they read. Books are also listed. Reading Diaries are brought to school daily and handed in every Thursday.

5/6: School diary

Students should write the title of the book they read each night, along with the page numbers in their school diaries. Students also need to obtain a parent signature.
