

Specialist News Term 2

ART

This term the Year 1 and 2 students will continue develop and extend their drawing, painting, cutting and construction skills through a wide range of activities. We will be completing our "Bugs Alive" project which combines painting, drawing and construction skills ready for display in our student gallery outside the artroom for our Artists Festival in May. We will then be working with textiles to create a whole school collaborative piece using pom poms which will be on permanent display in the Art Room. Our final project for the the term will allow us to explore new painting skills and the use of silhouettes to create a 2D bird silhouette over a blended background.

Mrs Claire Furlong

MUSIC

This term we will be learning lots of songs and singing games and through these developing and extending the children's knowledge and experience of pitch, beat and rhythm.

We will be learning about the instruments of the Orchestra and how they produce their sound. The children will also be introduced to a range of classical music and explore how that music can be used to represent different characters and tell a story.

PHYSICAL EDUCATION

The Year 1/2's will continue to build their teamwork and fundamental motor skills. The fundamental motor skills they will be introduced to are dodge and punt. They will also work on sportsmanship, listening to instructions, being safe with and without equipment, game rules and team work.

Year 1/2's will participate in warm up games, skills sessions and then a warm down that will include some mindfulness. They will also participate in Brain Train and an AFL clinic.

The Year 1 and 2 students need to bring water bottles, hats and wear their runners on Tuesdays so that they can enjoy and join in all P.E activities.
