Dear Parents,

PUBLICITY CONSENT FORM

It has always been our practice at Mount Waverley Heights Primary School to recognise, display and publish the work and achievements of our students. With the increased use of multi-media within all our curriculum areas, this now frequently includes standard photography, digital photography and the use of video recordings.

There are occasions where students' work, their photographs or video recording may be used in areas such as the media, school website, school facebook page, class wikis or in public displays to publicise or promote the school and its activities. As the availability of information concerning the students is restricted (no surname or address will be used).

Parents / guardians are asked to complete the consent form below and return it to school as soon as possible.

Yours sincerely,

Sharon

Sharon Reiss-Stone
