

# The Heights Happenings

Thursday 7 June 2018

MOUNT WAVERLEY  
**HEIGHTS**  
PRIMARY SCHOOL

*Dates to remember*

*Principal's Report*

## TERM TWO 2018

**Friday 8<sup>th</sup> June**

SDSSA Winter Sport Round 5

**Monday 11<sup>th</sup> June**

QUEENS BIRTHDAY PUBLIC HOLIDAY

**Tuesday 12<sup>th</sup> June**

NO SCHOOL LUNCH ORDERS

Year 5/6 Camp to Narmbool

Students to be at school by 7:45am

**Friday 15<sup>th</sup> June**

Year 5/6's return from camp

Piece Together Prep – Session Two

**Monday 18<sup>th</sup> June**

School Assembly 2:45pm

**Wednesday 20<sup>th</sup> June**

School Council Meeting 6pm

Favourite toy or game dress-up day

PB BBQ

**Thursday 21<sup>st</sup> June**

Prep Excursion Chesterfield Farm

**Friday 22<sup>nd</sup> June**

SDSSA Soccer Round Robin

**Monday 25<sup>th</sup> June**

End of Term Assembly 9-10am

**Tuesday 26<sup>th</sup> June**

Year 3/4 Excursion Edendale Farm

**Friday 29<sup>th</sup> June**

End of Term Two – School finishes at 2:30pm

## TERM THREE 2018

**Monday 16<sup>th</sup> July**

First day of Term Three

**Monday 23<sup>rd</sup> July**

School Assembly 2:45pm

**Wednesday 25<sup>th</sup> July**

Parent Teacher Interviews

**Thursday 26<sup>th</sup> July**

Parent Teacher Interviews

## FURNITURE ORDERED AND THE FINAL PIECE ORGANISED!

Carolyn and I met with the architects and a furniture manufacture in the city this week, to design a flexible learning module for our new building. Flexibility was the key and we are really excited that this modular furniture will allow students to interact and engage quite differently to traditional school structures. Small groups will be able to interact for cooperative learning activities whilst providing a range of seating options depending on the task and learning goals. Alongside this modular, both the Year 1/2 and prep areas have large and small break out spaces providing additional learning areas. Tonight our teaching staff will have the opportunity to explore our new building.

## LAP-A-THON – a huge success!

Thank you to everyone for their generous support. We have raised just over \$6,800.

A huge thank you to the following students who raised over \$200!

Jessica G	3/4S	\$550.00	Ipad
William H	1/2B	\$356.00	FitBit
Christopher S	3/4G	\$290.00	Lego Land
Jonathan S	5/6H	\$290.00	Lego Land
Harry B	1/2B	\$270.00	Scooter and Helmet

## **NEVR PRINCIPAL CONFERENCE**

Over the past couple of days Carolyn and I attended the North-Eastern Region Principal Conference. We heard from many renowned researchers and practitioners regarding the latest educational initiatives and State targets. Some of the key messages and highlights were:

- Educating without educating the heart is no education at all (Aristotle). A good reminder of the necessary element of our wellbeing program.
- Global competencies – Creative and Critical thinking, Communication, Character, Citizenship and Collaboration.
- Deep learning immunisers' students and reverses negative trends. The idea that students who can think will make better choices for all.
- Students need to read complex texts to be able to write at the standard needed as they progress through school.
- Continuous improvement is better than delayed perfection. The need to take small steps and edge towards change.

## **WORLD ENVIRONMENT WEEK**

This week our Sustainability team had organised and planned a range of activities that have prompted students to think about their impact on the environment. They have run activities for all our Prep – Year 6 classes. These events help to inspire action and it has been wonderful for our students to run lessons, taking on the teaching role and influencing others for the benefit of all. This year is International Year of the Reef with World Environment Day held on Tuesday and World Oceans Day tomorrow.

Here are some tips of how you can get involved with World Environment Week from the following website:

<http://www.gbrmpa.gov.au/about-the-reef/international-year-of-the-reef-2018>

As part of the celebrations of coral reefs worldwide, everyone is encouraged to consider actions they can take to reduce the impacts of warming ocean temperatures and broader climate change effects on reef ecosystems.

Everyone — regardless of where they live — can help look after the environment, which will ultimately help reefs. We're promoting five actions the broader Australian community can pledge to take in their home, office or school to contribute to the environment.

Here's some ways you can pledge your support, and we encourage you to share these with us on social media using #LoveTheReef:

- Reduce electricity use — turn off power at the wall when not in use and use energy efficient appliances and LED light fittings
- Stop using single-use coffee cups and straws — bring your own reusable coffee cups and say no to single-use straws
- Reduce your carbon emissions when getting around — ride, walk, carpool or use public transport, and consider vehicles with improved fuel efficiency
- Reduce use of plastic — do a waste audit to see how much plastic you're using and where you can minimise it, for example take reusable containers for your lunch, reusable shopping bags, or purchase bulk foods
- Consider using renewable energy — install solar power and hot water and purchase green power if available

International Year of the Reef 2018

## **FUNDING FOR NEW FOOTBALL TOPS – VOTING OPEN**

We recently applied for a local grant to cover the costs of new football tops for our Yr 5/6 team. We have been selected as a finalist! This means that our project is eligible for the voting stage which began at 9am Monday May 28 2018 and finishes at 5pm Friday June 8 2018.

The most votes in each category wins \$1,000 to fund their project. You can help by voting at <http://www.leaderlocalgrants.com.au>

You may vote up to ten times from each email address!

## **REPORTS**

Teachers are currently busy writing reports and therefore I thought it was a perfect opportunity to remind parents of the reporting requirements for schools.

### **Foundation Stage (Prep–Year 2)**

Teachers are required to assess and report student progress in the following areas:

English, Mathematics, Health & Physical Education, Music, Visual Arts and the Personal and Social Capability area. These are the essential areas of development for P-2 students.

*Our learning and teaching program draws on a range of curriculum areas such as:*

- *Humanities – History and Geography*
- *Languages*
- *Science*
- *Technologies – Design and Technologies and Digital Technologies*
- *Critical and Creative Thinking*
- *Ethical Capability*
- *Intercultural Capability*

These other learning areas are all part of our inquiry units, but are not formally reported on until Year 3.

### **Breadth Stage (Years 3–8)**

Teachers are required to assess and report student progress in the following areas from Year 3 onwards.

*Each year students must be assessed in the following areas: English, Mathematics, Science, Music, Art and Health and Physical Education. An additional language to be taught – in our case Japanese.*

*Over two years students must be assessed and a report provided in the following areas:*

- *Humanities- Geography and Civics and Citizenship and,*
- *From Year 5, Economics and Business.*
- *Technology and the capabilities (Critical and Creative Thinking, Ethical, Intercultural, Personal and Social Capability).*

## How will I know whether my child is performing at level?

Our reports visually show whether your child is operating at, below or above level.

Looking at the table below, this student is in Year 5. The yellow (shaded area) indicates where the student should be operating at this time of year. In 'Reading and Viewing' this student is demonstrating a basic knowledge and understanding of the content and is operating at the 'beginning' stages expected of students in Year (Level) 5. In 'Speaking and Listening' this student is demonstrating a sound knowledge and understanding of the main areas of content and is operating at the level expected of students in Year (Level) 5. In 'Measurement and Geometry' this student has an extensive knowledge and understanding of the content and can readily apply this knowledge. This student is operating well above the expected level for students in Year (Level) 5.

Learning Area	Level 3	Level 4	Level 5	Level 6	Level 7
English					
Reading and Viewing			●		
Writing				●	
Speaking and Listening			●		
Mathematics					
Number and Algebra			●		
Measurement and Geometry				●	
Statistics and Probability			●		

## PIECE TOGETHER PREP SESSION 2 – SCHOOL READINESS PROGRAM

Just a reminder that our second piece together prep session will be held on Friday June 15. All four year olds (whether they have enrolled with us or not) are welcome to this session. The focus for this session is on Physical Education (Sport).

## END OF TERM AWARDS ASSEMBLY

Just a reminder that our special end of term assembly will be held on Monday June 25 at 9am.

## UPCOMING DATES TO REMEMBER

- Monday 11<sup>th</sup> June Queens Birthday public holiday – no school
- Friday 25<sup>th</sup> June – Last day of Term Two
- Monday 16<sup>th</sup> July – First day of Term Three

## Let's celebrate....

- Our senior school choir!
- The four boys who qualified for District Cross Country – Hyuga W, Aaron C, Will T and Ricky H
- Students teaching students as part of World Environment Week

Wishing our Year 5/6 students, teachers and parents all the best for their camp to Narmbool. Don't forget to be at school by **7:45am**.

Until next week,

*Sharon*

Sharon Reiss-Stone

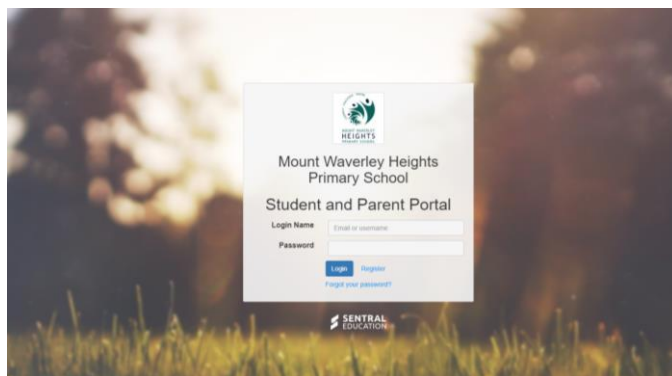

### Curriculum Update

With such long boundaries, we have many neighbours, which is a great thing. This is just a reminder that if you do kick a ball over a fence please be respectful of that person's backyard. Although our neighbours are wonderful and throw the balls back over the fence, sometimes this does not happen straight away, as they may be at work. Please do not climb their fence. If you do approach someone about a ball over the fence we just ask that you remember our school expectations, especially to be respectful. Thank you.

I definitely echo Sharon's words about the fantastic conference and the inspiring speakers. My highlight from the conference is just like students, we as teachers are also learners. We are life long and life wide learners and inspire our students to be the same. We learn with the students and we unleash greatness together.

Parent teacher interviews and student led conferences will be held Term 3 July 25 & 26. You will need to log on to your portal via a computer to book. I have had some questions about the Sentral App from parents and we are currently trying to sort out access, however, you will not need the app to book interviews. To book your interview you will need to log onto your parent portal on a computer. More information will come out soon about the process. If you can't access the portal please see the office.

This week's eSmart focus is from Think U Know website, which we regularly highlight. This website is a valuable resource and has a variety of cyber safety topics for parents. In this section, parents will learn about some of the challenges associated with online activities and how you can help children overcome these. In this ever changing world of technology, these parent tips can help us guide our children through the challenges associated with online activity.

Schools

Thanks

*Carolyn*

Carolyn Datson  
Assistant Principal

During the past two weeks in Physical Education the students have had the opportunity to have golf clinics with Jayden from Golf Victoria. All the students have improved their skills both in putting and in chipping. Thanks to Jayden for taking the time out and helped the kids develop their skills and enjoyment of golf. Below are a few anecdotes and photos from the sessions. Kate Black – P.E. Coordinator

**My favourite part of golf was hitting the ball.**

**By Jayden**

**My favourite activity at the golf clinic was chipping into hoop because it was a fun challenge.**

**By Kirsten**

**The best part of golf was trying to get the long range chip shots.**

**By Dylan**

**I enjoyed golf because we got to hit high balls.**

**By Giselle**

**The best activity at golf was when you hit the ball and it goes really far.**  
**By Elisabeth**

**My favourite part of golf was hitting as far as I could.**

**By Rens**

*I liked golf because we had fun activities.*

*By Nela*

**My favourite activity at golf was hitting it as far as I could because I liked competing against others.**  
**By Tanna**

**I liked golf because I liked hitting the balls.**

**By Akira**

## LEGO Club

*Students have been thoroughly enjoying the Monday Lego club sessions - being very creative with their designs!*

**There will be no  
school lunch orders**

**Tuesday 12<sup>th</sup>  
June**

**Thank-you**

### School banking day is FRIDAY

Please note that we only have limited stock of the **Secret Scratch Pad** reward item from Term 1.

Once all the stock is depleted it will be removed from the Portal.

The other reward items currently available are:

- \* Sparkle Glitter Pens – Term 2
- \* Glow Light Torch – Term 2
- \* Twister Power Handball – Term 1
- \* Cyber Handball – 2017
- \* Colour change Markers – 2017
- \* Tablet Case – 2017
- \* Pencil + Tech Case – 2017
- \* Smiley Emoji Keyring – 2017
- \* Epic Earphones - 2017

Thank you for supporting the School Banking program at  
**MOUNT WAVERLEY HEIGHTS.**

If you would like to know more about School Banking, please

Class	Class award	HOB Applying Past Knowledge to new situations
Prep D	Lily Z – For trying really hard with her school work and for starting to communicate with everyone.	Nicolas R – For using his knowledge of sounds to decode unknown words when reading.
Prep M	Darren L – For the excellent effort he is putting into his learning and the increased enthusiasm he has to participate in class discussions.	Thomas A – For applying his letter/sound knowledge when he attempts to read unfamiliar words.
1/2A	Sylvie G – For being responsible for her learning and making excellent progress with her reading, writing and handwriting.	Jaap P – For using his knowledge of magic words to improve his reading, writing and spelling.
1/2B	Dennis Q - Showing empathy to others by thinking about his choices and how they may affect others and their learning.	Haruki – For applying his knowledge of addition strategies to money maths and adding groups of coins.
1/2T	Charlie S – For working so hard during the writing block and producing some great ‘big ideas’. Cooper Bear is going to be a great story!	Jenny O – For working well and assisting others in her group to produce a great performance of chicken little.
	Sahil S – For being a kind friend and assisting someone in our class.	Savya P – For linking the reading strategy of Authors Purpose to assist with his own purpose when writing.
3/4G	Cindy L – Making an excellent start at MWHPS!	Miesha G – For telling us all about birds, calligraphy and many other topics!
3/4S	George K – For always thinking of others and asserting himself politely if he sees someone needs help.	Elisabeth O – For linking her background experiences to her learning during class discussions.
5/6D	Natasha P – For creating a well-thought persuasive writing piece.	Erin W – For using her own way of multiplication to understand another method.
5/6H	Isabella B – For communicating respectfully and collaborating with others.	Shreya P – Applying new multiplication strategies to old problems to check her answers

## Waverley Heights Primary School

We've had such a great week at Extend jammed packed with some awesome activities!!

Our week began with Jayde and the specialist activity. We made our very own stamps from recycled corks, foam and a bit of hot glue. We then got to test them out with some paint and paper, some people made pokemon ball stamps while others decided to go with clouds and flowers. The children absolutely love any activity that involves bringing the paint out which was great because on Tuesday, we had imagination creation which allowed the children to actually paint their masterpieces.

To continue our week, Alex brought in his guitar and belted out some tunes for us all to enjoy, the children all gathered around the couches to listen and sing along. Sweet spinach muffins were on the menu for Wednesday and they were a massive hit - we always love trying new wacky recipes and so do the children, Ariana had this to say about them, "I really liked making the sweet spinach muffins, they were very yummy".

To finish off the week with another fun and yummy activity, we did a science experiment called Ice cream in a bag. This involved the children actually making their own ice cream using 6 simple ingredients - ice cubes, rock salt, vanilla essence, milk and sugar. Even though the activity didn't meet our expectations, it was great to reflect with the children on what we could do differently next time.

"We had lots of fun making ice-cream and we liked eating it!" - Maddie & Cerise

### VACTION CARE:

Our awesome holiday program timetable has now been published! Check it out at [www.extend.com](http://www.extend.com) or come into see us and grab a flyer! These holidays are jam packed with awesome activities and heaps of fun, we look forward to seeing you there.

### Coming up next week:

**Monday:** Specialist Activity: Sun catchers, Sports Clinic by Jake G

**Tuesday:** Imagination creation, ball sports

**Wednesday:** Cooking: Pancakes and fruit, Group games

**Thursday:** Science: DIY Cars, Revenge

**Friday:** Yoga with Jocelyn, Playground

### AND OUR EXTEND SUPER-STAR OF THE WEEK IS.....

William H from 1 / 2

For being such an awesome friend to everyone at Extend! You are always someone we can count on to role model to other's what good choices look like, and always happy to lend a hand to those in need around you. Keep it up Will!

From Caitlin and the kids at Extend. :)

## The Great Toy Give Away!

Across the school we have been learning about sustainability and the 4Rs – Reduce, Reuse, Recycle and Rethink

Please help us sustain our environment and reduce the amount of waste going to landfill.

We are seeking donations of pre-loved toys to be distributed to charities and toy libraries around Melbourne.

**When:** Wednesday 20<sup>th</sup> June, 2018

**Dress Up:** Favourite Toy or Game Character

**Donation:** Pre-loved toys, games, puzzles and sports equipment in excellent condition or gold coin

No soft toys thank you

And place your order!  
Every order received helps us achieve our fundraising goals. Thank you in advance for your support!

**SAFE LACE FUNDRAISING** Have a question? Contact your fundraising coordinator or email [info@safelacefundraising.com](mailto:info@safelacefundraising.com)

## Safe Lace School Fundraiser

For the next TWO weeks Safe Laces will be available for purchase via

<https://www.safelacefundraising.com/active-fundraisers/mount-waverley-heights-primary-school/>

Monies raised from the fundraising effort will go towards new shelving for the Library.

Students please remember when purchasing that only the black Safe Laces are to be worn with school shoes.

An example of the black is at the school office.

## Community Information Session Victoria's government education system

**Date:** Tuesday 26 June  
**Time:** 6.00 pm - 7.00 pm  
**Venue:** Wellington Secondary College, 91 Police Road, Mulgrave  
The event will be held in the school theatre. Please enter from Singleton Drive.

The Department of Education and Training is holding an information session about Victoria's government education system. Parents of existing government school students from the City of Monash are invited to attend.

Speakers will include representatives from the Department of Education and Training as well as local government schools. You will have the opportunity to ask any questions you may have about the government education system and Education State initiatives in Victoria.

The Victorian Government's \$8.8 billion record investment in education is building a world-class education system that gives everyone a chance to succeed in life.

In the Education State, our schools offer quality education that help students achieve excellence and prepares them to thrive.

**RSVP by Thursday 21 June, 2018 by calling 9340 3764 or text 0403 869 232.**

Interpreters at the event are available upon request when you RSVP. Children welcome to attend.

This information session is being coordinated in partnership with the  
**Centre for Multicultural Youth**

**cmy**  
CENTRE FOR  
MULTICULTURAL YOUTH

**THE

## Computer Programming Club

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting **Computer Programming** club running at the school.

The aim of the club is to provide students with exposure to fundamental of computer science concepts. Run by external consultants from Digimaker, this program will:

- Build games, animations, stories utilizing pupil's creative thinking
- Develop logical thinking and problem-solving skills
- Express ideas & boost confidence working in a collaborative environment
- Enable the grasp of computational thinking which combines math and logic

For details on the course, visit <http://www.digimaker.com.au/courses/>

The club will run for 8 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students will work on school laptop during the session.

Program for Term 3 2018 is as follows:

**Term 3 :** Every Tuesday, 17<sup>th</sup> Jul to 11<sup>th</sup> Sep (**9 weeks**)  
**Time :** 3:30pm – 4:30pm  
**Room :** School classroom  
**Grades :** 3 to 6  
**Fee :** \$171

If you are interested in your child being considered for the programming club, please \*fill the form online @ [www.digimaker.com.au/contactus/](http://www.digimaker.com.au/contactus/) or at the bottom of this letter and **return it to Office by Thursday 21<sup>st</sup> Jun 2018**. Digimaker will confirm your child's spot via email.

\*Existing students need not fill the form
