

CALLING ALL GREEK PARENTS/GRANDPARENTS. WE NEED YOUR HELP!!

On **Friday 26th of April** from 2.30-3.15pm, each class is going to experience a taste of **Greek Easter**.

We are after a parent/grandparent to talk to each class about how they celebrate Easter (about 10-15min). You are welcome to bring along pictures or items to show the class.

We would also love it if the class had the chance to taste some traditional Easter treats so if you can make something it would be most appreciated (must be nut free).

Despina who owns 'Greek Bakery' (Oakleigh) is kindly donating a Tsoureki loaf for each class to share.

I can help by volunteering the following: please tick

- Talking to the class
- Making something for the students to eat
- Bringing in some dyed eggs
- Bringing in some decorations
- Helping on the day with set up and decorating
- Helping the teacher in the classroom to hand out food, clean up etc.
(Grandparents are very welcome to help even if English is minimal)

**Please return
by the end of
Term 1**
