Principal's Report

INCURSIONS GALORE

Over the past three weeks students in Years 5/6 have been undertaking the Health and Human Development: Living and Growing Program. The program is age-appropriate, and cover not just anatomy, puberty and reproduction but also body safety (protective behaviours), respect, friendships and the risks of technology. The course is devised in line with the Victorian Curriculum.

On Monday our Year ½ students participated in a Healthy Eating Incursion. The students loved trying new foods and were informed of different ways they can enjoy treats without high doses of sugar.

On Tuesday students in Years 3/4 enjoyed their incursion whereby they made and launched their very own rockets. They learned about trajectories, angles, distance and space exploration.

Next week our Preps will be involved in a science incursion around forces (push and pull)

CURRICULUM DAY

Our last Curriculum Day for this year will be held on Monday. Whilst you will all be enjoying your long weekend the staff will be becoming Google Certified Level 1 Educators. This will ensure a consistent level of proficiency across our school.

Just a reminder that students will not attend on this day.

FORMING GRADES FOR 2020

Shortly, teachers will begin the process of organising next years grades. This process takes several weeks and involves all staff in developing well -balanced classes for optimal learning. Input from class teachers, parents and children are taken into account, in conjunction with learning and social considerations. Parents with particular information they would like considered during this process may put their request in writing to us **no later than Friday 1 November**. Requests may relate to social, family or learning matters. If you would like to discuss your request, please feel free to make an appointment to speak with me.

By following this process, we are best able to meet your request. As part of the internal transition program, students will find out their 2020 class on Wednesday December 18.

Requests may be forwarded to the office in writing or by email to the email address:
reisstone.sharon.s@edumail.vic.gov.au

Please note that late requests will not be accepted.

PREP TRANSITION FOR ENROLLED STUDENTS (2-3pm)

Friday 1st November will be our second formal transition session for enrolled students. Please note that the car park may become more congested than usual. We advise families to park in the street and walk into the school grounds.

INQUIRY SHOWCASE - 7-8.15pm

For parents in Years 3-6, please keep Thursday November 14 for our Inquiry showcase. Our students will be presenting their projects, findings and amazing innovative ideas!

LEAVING OUR SCHOOL?

With the exception of our Year 6 students, please contact our school office if you are leaving our school for any reason at or prior to the end of Term 4. We are working on our class structures for 2020 and need to know our student numbers for next year.

Let's Celebrate

- The wonderful opportunities our students are provided to expand their knowledge and interests.
- An upcoming long weekend!

Year 1/2 Healthy Eating Incursion!

On Monday, as part of their inquiry unit on Health, the Year 1/2s attended a healthy eating incursion. Students sampled a range of healthy snacks, as well as a many foods that they may not have tried before, such as fennel, prunes, pomegranates, sunflower seeds, pumpkin seeds and chick peas. A particular favourite were the healthy black bean chocolate brownies. A great event that the students thoroughly enjoyed!

SRC – New Fruit Juice Icy Poles!

The SRC will continue to sell icy poles for 50c every Wednesday lunchtime. We will be trialling a new brand of icy poles next week which contain mostly fruit juice. These icy poles are a healthier alternative as they contain considerably less sugar than Zooper Doopers.
