Friday 29th November
Prep Transition 4 - 9:30am-12:30

Friday 6th December
SDSSA Summer Sport Round 6

Tuesday 10th December
Last day for Uniform Shop sales

Principal's Report

DISCO

A huge thankyou to Julia and Shu Min who kindly organised our school disco last Friday. The kids had a ball and loved spending time with their friends. Thank you also to the parents and staff who assisted on the night. Many hands make light work!

INQUIRY - FUNDRAISING DAY

Fantastic support from our community was evident on Monday as students tried to raise money for various organisations and actions. A huge thank you to everyone who purchased an item or came dressed in green.

DIWALI CELEBRATIONS

As you are aware we have celebrated a range of different religious and cultural celebrations over the year. Our next celebration is tomorrow.

- 8.45am Members from our community will help to display lanterns students have made in art.
- 11.30am - 11.45am Assembly whereby our students will be discussing Diwali, what it means and how they celebrate.
- 1.15pm Optional lunch - Students have the opportunity to order Butter Chicken or Paneer Butter Masala and Gulab Jamun.

Classes will use stencils and coloured powder to create designs as part of traditional Diwali celebrations - **This activity has been moved to Monday 28th due to weather.**

FORMING GRADES FOR 2020

Shortly, teachers will begin the process of organising next years grades. This process takes several weeks and involves all staff in developing well balanced classes for optimal learning. Input from class teachers, parents and children are taken into account, in conjunction with learning and social considerations. Parents with particular information they would like considered during this process may put their request in writing to us **no later than Friday 1 November**. Requests may relate to social, family or learning matters. If you would like to discuss your request, please feel free to make an appointment to speak with me.

By following this process, we are best able to meet your request. As part of the internal transition program, students will find out their 2020 class on Wednesday December 18.

Requests may be forwarded to the office in writing or by email to the school address: reisstone.sharon.s@edumail.vic.gov.au

Please note that late requests will not be accepted.

PREP TRANSITION FOR ENROLLED STUDENTS

Our first prep transition session ran smoothly last Friday. We have three prep classes for 2020, which is very exciting.

CURRICULUM DAY

Our last Curriculum Day for this year will be held on Monday 4 November. Students will not attend on this day.

INQUIRY SHOWCASE - 7-8.15pm

For parents in Years 3-6, please keep Thursday November 14 for our Inquiry showcase. Our students will be presenting their projects, findings and amazing innovative ideas!

LEAVING OUR SCHOOL?

With the exception of our Year 6 students, please contact our school office if you are leaving our school for any reason at or prior to the end of Term 4. We are working on our class structures for 2020 and need to know our student numbers for next year.

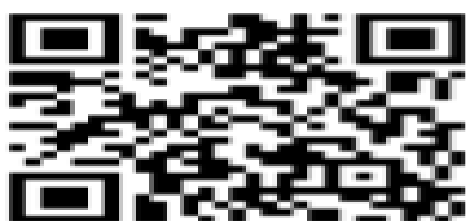

Let's Celebrate

- A great disco last Friday. Thank you to all the parents who helped on the night!
- A terrific first transition day for enrolled students!
- Awesome fundraising activities organised by our Year 3-6 students!

Stop Palm Oil

<https://forms.gle/ufTyfFY6JZkjdyjc9>

We are researching how our community uses palm oil. Please go to the link above or use your phone to scan the QR code above. Please fill in the form to help us with our Inquiry research.

Thanks! Anna, Andrew, Natasha and Maheer.

Assistant Principal's Report

LEGO, LEGO, LEGO!

I am sure I have your attention now! As you would be well aware we have developed a scope and sequence for our school inquiry units. Headed up by our 3 - 6 students, who are doing a great job at thinking outside the box, our

P - 2 students are developing the same inquiry skills such as developing questioning, collaboration, critical and creative thinking skills, ICT skills and problem solving.

In 2020, our year 1 and 2 students will embark on a Lego inquiry unit. Lego is a great way to boost engagement and solve real life problems through creative thinking and construction. Lego is hands on and students get to see their ideas come to life. The unit will revolve around students planning and designing then refining their ideas through peer feedback. They will also have the opportunity to solve problems as part of a team, plus it is super fun!

If you are doing a clean out of any lego or know anyone who is looking to get rid of their lego, we are asking if you would consider kindly donating it to the school. We are hoping to get enough donations to run this inquiry in Term 3 2020.

Here is a sample of what I get up to in my spare time! Construction challenge at the Datson house!

Thank-you

EXTEND UPDATE

Did you know?

Every weekend we supply a family with the resources and food needed to have the Guinea Pigs sleep over. Each term we have a weekend roster where not only extend families, but any families that attend

MWHPS can sign up. Since having Brownie and Marshmallow for over a year now, we have been able to see children's knowledge and confidence grow. If you'd like to experience a weekend of having pet Guinea Pigs or think your child/ren would benefit from this experience, feel free to come into Extend and talk to our staff!

Last weekend Mikaela had a sleepover with her furry friends Marshmallow and Brownie. This is her sixth time and she can't wait to have them again!

The Extend Superstar is...

Zoe Allan from 3/4 for showcasing kindness and inclusivity no matter who you cross paths with, Thank you!

Coming up next week:
