Last Day of Term 3 - 2.30pm finish

### TERM FOUR 2020

#### Monday 5th October

First Day of Term Four - all year levels online

#### Monday 12th October

P-2 return to onsite learning  
3-6 continue online learning

## Principal's Report

### TERM 4 ARRANGEMENTS

No doubt you have been eagerly listening to our Premier's announcement in regards to return to school. Here is an overview...

- Week 1 (5 October) of Term 4 will be remote learning for all. The current arrangements and timetables will remain the same. No changes.
- Week 2 (12 October) we will welcome back P-2 students.

Years 3-6 will continue to work remotely. Return for our Years 3-6s will be reviewed on 26 October. (I believe that Covid cases need to be less than 5 state-wide cases and less than 5 community transmission cases).

Please note that remote or online learning will cease when students return to school. E.g. Friday 9 October will be the last day of home learning for students in years P-2. Once a year level has returned, all students will be expected to return to school as normal.

Arrangements will be the same as last term.

- Prep and Year 1 parents may come onto school premises, but must adhere to social distancing.
- Pick Up: Please keep the pavilion area clear and follow the signs. Year 1-2 parent waiting area will be closer to the PAC. The Prep parent waiting area will be closer to the Dreamspace and library.
- If required, Year 2 parents may come onto school premises to pick their child up after school.
- Parents must drop off or pick up their child in a timely manner and leave the school grounds immediately.
- Parents to contact teachers via Sentral if they need to discuss anything with the classroom teacher
- Minimise office contact by emailing or calling. If you notice someone at the office window, please wait for them to leave prior to entering the building.

- If your child feels sick or unwell please do not send them to school. They must stay at home and you need to seek medical advice.
- Students will be required to either use the sanitiser or wash their hands before entering classrooms, prior to eating and when returning from breaks. The DET have provided additional cleaning of classrooms, touch points and playgrounds. This means areas will be cleaned twice a day.
- Playgrounds will be open for students during school hours.
- All adults, including staff, must adhere to social distancing. Social distancing rules do not apply to students.
- Face masks must be worn by all adults.
- Whilst we are working through procedures, I am sure the DET will continue to keep us informed of changes and expectations.

We are currently awaiting advice on temperature checks and any new protocols or procedures needing to be implemented.

### **SCHOOL ASSEMBLY**

Thank you to everyone who joined our assembly on Monday. It was fantastic to hear from a range of students regarding their learning throughout Term 3. Well done to Georgia and Romeo (Prep), Aarohi, Milton, Noah, David & Olivia (1/2), Yui, Reet, Aadi, Zoe, Bradley, Alexis (3/4) and Emma and Hyuga (5/6) - they all did a fantastic job! It was also a great opportunity for students to develop their confidence in speaking to a large audience.

### **INTERVIEWS**

Don't forget to book in for online parent-teacher interviews. These will take place next Monday and Tuesday from 11 to 4.30pm. If you are unable to make these times (due to work commitments) please speak to your child's classroom teacher to arrange a mutually suitable time.

### **LAST WEEK OF SCHOOL**

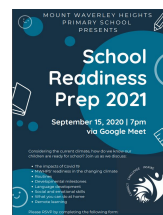

Next week will be different for all students across the school. They will meet with their classroom teacher at 9am each morning. They will then independently complete tasks either on our learning hub or from google classroom.

### **FOOTY FEVER DAY - FRIDAY**

Come dressed in your footy colours to your classroom meets and specialist sessions. Remember if you are not sure who to support - just come dressed in YELLOW & BLACK - GO TIGES!

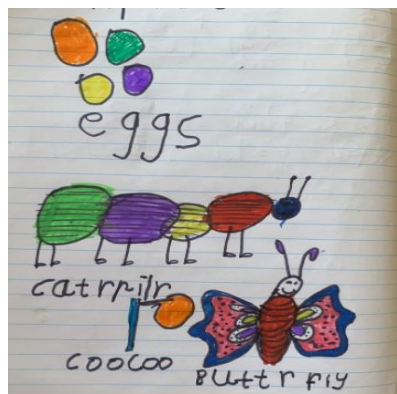

### **PREP TRANSITION 2021**

We will be running a special information night on Tuesday September 15 at 7pm for 2021 prep parents. If you haven't already, don't forget to book in to our Information Session. Our first transition session will be undertaken remotely. We have some engaging and fabulous activities planned!

## SHARING OF SOME LOVELY WORK ACROSS THE SCHOOL

**Apratim's Life Cycle of a butterfly**

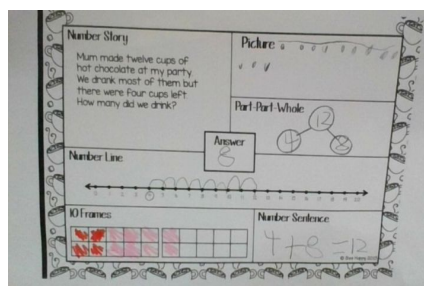

**Charli's writing**

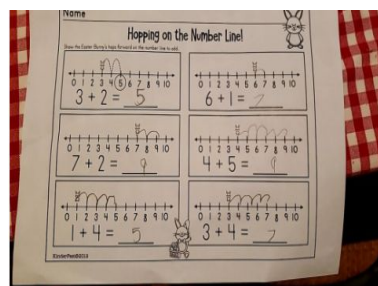

**Kian's maths**

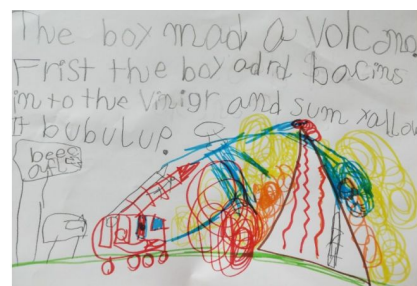

**Eryn's Maths**

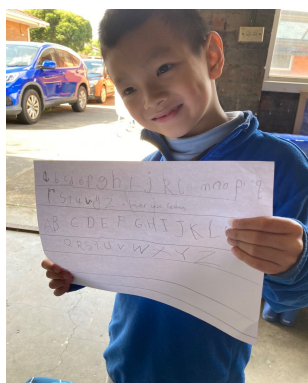

**Francesco's number line**

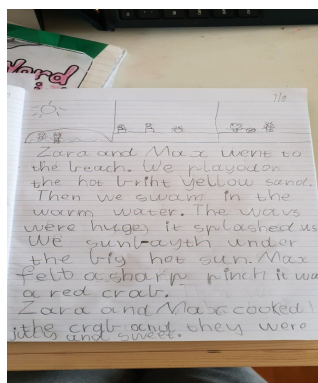

**Elijah's writing**

**Lucas' upper and lower case letters**

**Zara's WOW words story**

**Marissa's dream:** "It's any child's dream, because it has fun stuff for my family and friends. In summer we could play in the pool and make funny videos. The studio would be awesome to make music"

## Let's celebrate...

- All the students who spoke at assembly on Monday - a brilliant job.
- The amazing work undertaken online throughout Term 3.
- Richmond doing so well. Go Tiges!

**Sharon Reiss-Stone**

Principal

# Assistant Principal's Report

## Parent/ Teacher Interviews

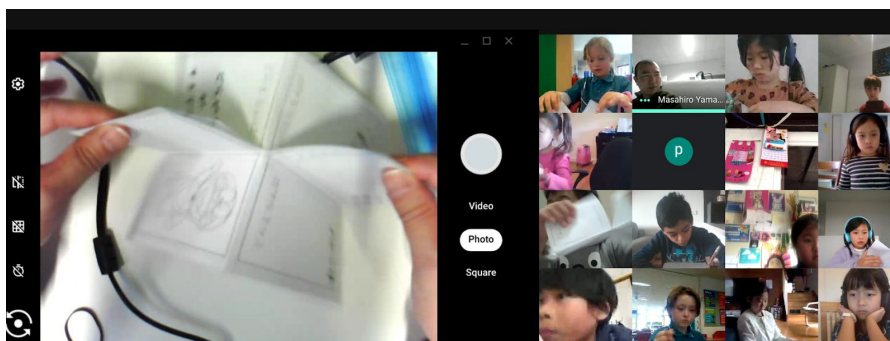

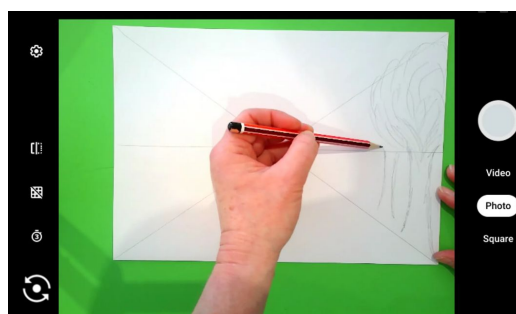

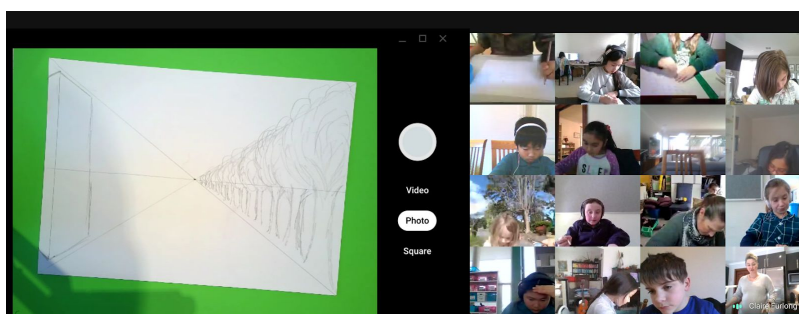

Thank you to everyone who has booked a Parent/ Teacher interview for next week. We have had great feedback about the ease of the new system and we appreciate parents and carers taking the time to read through the instructions.

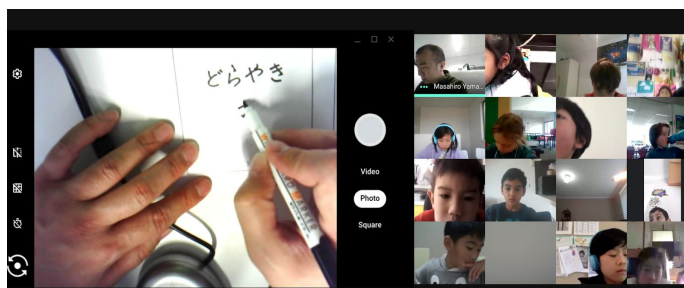

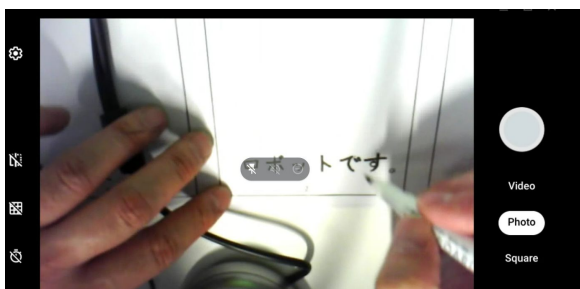

### **On the day of your interview:** Monday 14 & Tuesday 15 September

Families should access the video conference 2-3 minutes before it is due to commence. Any software updates (tablet/mobile devices) should take place well in advance. You will need to go to your gmail calendar to access the interview link. Access Google Calendar with the account you used for your booking. The appointment will show on your calendar and you can join the meeting directly from this page. If after 3mins into the interview you haven't been able to connect with the teacher, they will give you a phone call. Please be aware that this call may display "private number".

## Curriculum Update

Over the last few weeks Mrs Reiss-Stone and I have been popping into different classes. Recently, I visited Japanese and Art. It was so great to see so many of our students online engaging with the lessons, and the teacher's use of a document camera was fantastic. The lessons were great and demonstrated the continuity of learning our students are getting. Mrs Furlong's lesson about perspective used mathematical terms, helping build students' vocabulary and understanding of the concepts. For example, she spoke about parallel lines, dimensions and scale. Her lesson also linked to literacy as she discussed superlatives - big, bigger and biggest. Sensei's lessons followed our instructional model with a revisit section at the beginning of the lesson, where he prompted the students to think about the prior learning they had done when creating a Japanese booklet. Check out the photos below!

Assistant Principal

# Japanese Work

## Doraemon Mini Book by 1/2s

## 3D Tulip by Preps

## Specialist Challenge Week!

Car Pool Karaoke!

Recreate a famous artwork

Super Sushi - recreate your favourite Japanese meal

TV Tuesday and  
FOOTY Friday in PE!

Next week is Specialist Challenge week! We have some great activities for you to take part in with your family, your siblings, or on your own.

All instructions will be posted in the Specialist pages on the Learning Hub for P-2, and in the Specialist Google Classrooms for Grades 3-6!

We can't wait to see your photos and videos on Seesaw!

# SRC News

## RUOK day

On 10th of September remember to ask those around you RUOK? To show that you care. To support the community the SRC has come up with some conversation starters, activities and games that could help us connect with someone.

### R U Ok Day Conversation Starters & Questions

- How are you?
- What have you been doing so far today?
- Are You Ok?
- How are you going at home with COVID?
- How are you feeling?
- Do you need any help?
- Are you feeling depressed in any kind of way?
- What have you been doing in isolation, and are you having any trouble?

### R U Ok Day Activities

- Call a friend or have a chat to a neighbour over the fence.
- Organise an online chat/video call with anyone you feel like or just meet up to talk about what's going on and how you are feeling
- Chat to your extended family or grandparents, and see if they're doing ok
- Send an email to a loved one or friend

### R U Ok Day Games ( Team games/ Collaboration )

- Fireboy and Watergirl

### SRC Tutorials

#### Origami crane and folding art work Tutorial

This week's SRC tutorial is 'How to make a paper chatterbox'! It will be on **Friday 11th September at 12.30pm**. The Google Meet join code is **any-jjpv-rqt**.

This tutorial will be hosted by Matthew, Sherlyn and Yuan and is open to anyone in our school community who wants to join! Younger students may need some assistance from a parent/guardian.

If you will be joining us, please prepare the following materials:

- Square piece of paper
- Texta or something to write with

#### Origami Ninja Star Tutorial

The **fourth** SRC tutorial will be teaching you how to create an origami ninja star. This tutorial will be run by our SRC representatives Haruki, Christian and Thomas. More info in the next Newsletter. From the SRC.
