## THANK YOU

As everyone has been saying 2020 has been a year like no other. It has tested us all, but also encouraged us to appreciate the little things. Time with our family and friends. It may have even reminded us to slow down and prioritise what is important. We would also like to recognise that for some in our community, this xmas will be tough. Losing employment has put pressure on families. So as we look to celebrate xmas, I encourage you to give to others - check on your neighbours, check in on the elderly and give (if you are able to do so) to charities. Giving to others is the best gift to give this Christmas and an important lesson to teach our children.

We would like to take this time to send out a HUGE thank you to everyone who makes MWHPS such a great place to be. The students at our school are so lucky to have such wonderful, supportive teachers, parents and community supporting them and encouraging them to achieve greatness!

Our sincere thanks to:

- The School Council for their support, commitment and vision for the school and every Mount Waverley Heights child. I would particularly like to thank and recognise Mrs Airlie Anderson-Weir who has been on council for the past 9 years. Airlie's dedication to the school is unparalleled! Airlie has dedicated so much of her personal time to many projects and raised an enormous amount of money over the years. Being an integral part of the Parents Association alongside council, has seen Airlie participate in almost every event and decision over the past 9 years. You will be dearly missed Airlie.
- The staff for their professional manner and dedication to the school/ students. Your work is inspiring!
- The parents for their support throughout the year with home learning - a huge ask!
- The students for their hard work and devotion to their studies.

On behalf of the staff, we would like to wish all families a safe and happy holiday.

**Let's celebrate...**

- Our Year 6 students who have completed their 7 years at primary school. All the best of luck to our graduating class of 2020!
- Aaron C. and Jason Q. who were selected for the Mount Waverley Secondary College Enrichment Program and Emma A., Crystal Z., Rushillq S. and Dylan C. for being selected for the ACE program at Ashwood High School.
- All our end of term award winners!
- Our outgoing captains
- Our incoming captains
- The end of 2020! Bring on 2021!

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about the CSEF visit [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

If you applied for the CSEF at your child's school in 2020, you do not need to complete an application form in 2021 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2021 or you did not apply in 2020.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2021.

Check with the school office if you are unsure.

### With the current COVID19 pandemic, how does the Centre ensure the environment is safe and hygienic?

With all the changes that have come with the COVID19 pandemic, our Centre maintains safe and hygienic environments for children, educators and families. Our children and educators have worked together to create embedded hygiene practices, including hand-washing procedures.
