Principal's Report

REPORTS

Our staff are busy completing assessments and writing reports. We have decided to go with the normal report rather than a modified version. We believe that we have enough information to provide families with an accurate report on their child's progress.

ICAS

If you have signed your child up for an ICAS assessment, these have been undertaken this week. We look forward to reviewing these results. If your child was absent on the day, we will run make up sessions where possible.

PREP TRANSITION SESSION - FRIDAY NOV 19 (2.30-3.15pm)

We are looking forward to welcoming our new Preps and their families tomorrow. This session will take place from 2.30 - 3.15pm, with a Parent information session to be held at the same time in the PAC. Transition sessions will be every Friday from Nov 19 to Dec 10. A range of information regarding these sessions have been emailed to all families. We can't wait to meet our new Preps!

INCLUSIVE SCHOOLS GRANT

This year we successfully attained a \$105,000 grant to design a sensory garden near the flag post area. We met with the architects this week to discuss ideas and begin designing this space. Stay tuned!

GOOGLE SYMPOSIUM

It was lovely to have been invited to participate in a Google Data Symposium on Tuesday. The symposium brought together a small group of people who work within education and have an interest in the role of rich data to support learning. By participating we gain an insight into where education is heading and also have the ability to influence the platform.

FANTASTIC NAPLAN DATA RESULTS

My Schools portal has been really slow in updating our 2021 results. So I would like to share our exceptional results with our community. Congratulations to all our Year 3 and 5 students. The green box below is the state and the orange box is our school.

Year 3 Results: Particular highlights are in Reading, Spelling, Grammar and Punctuation and Numeracy

Year 5 Results: Fantastic results in Reading, Spelling, Grammar and Punctuation and Numeracy

Despite the challenges of 2020 and 2021 our students have performed brilliantly. A time to celebrate!

SHADE SAIL GRANT

I am pleased to confirm that our application for a shade sail has been successful. The VSBA has approved the outdoor learning space/s to a value of \$25,000. This shade sail will cover part of the artificial play space between the Prep playground and Administration building. We will look at adding an additional sail in the near future.

ASSEMBLY

It was so lovely being able to gather as a school, at our assembly on Monday. Congratulations to all our award winners..

FREE DRESS DAY THURSDAY 25th NOVEMBER

Congratulations!

CAN YOU HELP?

Are you or someone you know a builder and would you be interested in doing some work around the school. We are looking at doing some works around the school during January. Please contact the office if you are able to help.

WHAT AM I GRATEFUL FOR?

My positive for this week...

Spending time with our extended family celebrating a milestone birthday!

Let's celebrate...

- Gathering as a whole school at assembly this week
- Our amazing NAPLAN results
- Miss Jamieson getting married! Yay! Now known as Mrs Field!
- · Our baby shower for Mrs Morris! Good luck and we can't wait to

meet baby Morris!

Assistant Principal's Report

WE LOVE NUMERACY

The Education Department's Numeracy Portal is for teachers and parents. It has information about how you can develop your child's numeracy skills at home.

https://www.education.vic.gov.au/school/teachers/teachingresources/discipline/maths/Pages/maths-and-numerac <u>y-at-home.aspx</u>

Numeracy is more than numbers. For example, numeracy helps us:

- understand and use numbers and other mathematical ideas in everyday life
- recognise and use shape
- work out the chance of something happening
- understand the data we see in the media.

When it comes to helping your child with their homework, Denis Sheeran, an online mathematics educator, suggested "Questioning is at the heart of learning mathematics, not answering". He suggests parents should ask questions about the child's thinking and working, rather than telling them how they should work out the answers. Denis Sheeran has a website that includes a flow chart with questions that you can ask your child. http://denissheeran.com/homework/

You can also help by modelling how you solve problems, but you should always refrain from making statements such as "I wasn't very good at maths" and "Maths was never my strong point". Help your child by taking opportunities to discuss how you think about problems, identify what skills and knowledge you bring to problems to help solve them and be prepared to look beyond your initial response.

IS YOUR CHILD TRAVELLING SAFELY?

FREE CHILD CAR RESTRAINT FITTINGS & SAFETY CHECKS

Waverley Community Learning Centre invites local parents and carers to register in for a free child car restraint fitting or safety check!

WHERE 5 Fleet Street, Mount Waverley

WHEN Saturday 11 December 2021 between 9.00am and 1.00pm

HOW Parents and carers (including grandparents!) are invited to book online for a free child car restraint fitting or check by registering via:

https://safeseatssafekids.com.au/events/mount-waverley-11-december-2021/

WHY 70% of child car restraints are incorrectly installed or used, posing a serious

safety risk to children travelling in those restraints. For peace of mind, have a professional fitter check your restraints so you know your child is safe. For
