Principal's Report

CONGRATULATIONS

Congratulations to Nela who finished 2nd in 100M and 1st in 800M at the Monash Waverley Division Athletics Carnival last week. A stellar performance! Very few students (unless they are in Little Aths) make it through to State Championships. Wishing you all the best of luck for next Thursday, 20th October.

PREP - YEAR 1 SWIMMING

And that's a wrap! Well done to all our P-Year 1 students who have participated in two weeks of swimming. It was great to see their smiley faces and confidence in the water grow as they participated in the program yesterday. Thank you to Mrs Black for organising this event. A crucial part of our sporting program.

FORMING GRADES FOR 2023

Shortly, teachers will begin the process of organising next year's grades. This process takes several weeks and involves all staff in developing well-balanced classes for optimal learning. Input from class teachers, parents and children are taken into account, in conjunction with learning and social considerations. Parents with particular information, they would like considered during this process, may put their request in writing to me **no later than Friday 4 November**.

Requests may relate to social, family or learning matters. Please note that requests for particular teachers will not be supported, unless there are extenuating circumstances. If you would like to discuss your request, please feel free to make an appointment to speak with me.

Requests may be forwarded to the office in writing or to my email address:

sharon.reiss-stone@education.vic.gov.au

Please note that **late requests will not** be accepted

If you are planning on leaving Mount Waverley Heights at the end of the year, we ask that you also please let us know as soon as possible so that this can also be taken into account when preparing classes.

CURRICULUM DAY

The Monday before Cup Day (**Mon Oct 31**) is our schools final Curriculum Day. Teachers will be busy writing reports and it will give families the opportunity to get away for the long weekend.

PROFESSIONAL PRACTICE DAY

Monday Dec 5th will be our final Professional Practice Day. This day has been supported by the DET, acknowledging the difficulty in hiring staff for their additional release. As such a common day will be used. No students will be at school on this day.

Prep Transition

Next Friday is our first Prep Transition session for 2023 preps. The session will run from 2:30 - 3:15pm - so you may notice the car park a little bit busier.

The sessions will focus on getting to know the students and helping them become familiar with our school environment.

If you come across any new parents, please feel free to introduce yourself!

First Aid

St John Ambulance will be delivering free First Aid in Schools training to our students next week. Through the First Aid in Schools program, trained St John presenters will lead students from P - 6 through tailored sessions on the importance of First Aid and what to do in the event of an emergency.

Our junior students will learn about how to identify when there is an emergency, keeping themselves safe, and how to call for an ambulance. Senior students will learn about delivering CPR (cardiopulmonary resuscitation) and the things they can do to assist in an emergency.

More information about the St John First Aid in Schools program can be found at:
www.stjohnvic.com.au/schools

We have previously done this program and it is fantastic. Students really enjoyed the engaging presenters and learning about how to act in an emergency situation.

Once again, thank you for your support of the St John First Aid in Schools Program, and to our students, Maddie, Dhruthi and Aarna, for organising this incursion for the whole school as part of their inquiry project.
