

Dear Parents,

The Information and Communications Technology program at Mount Waverley Heights Primary School requires parental assistance to support appropriate use of technology.

At Mount Waverley Heights Primary School we support the right of all members of the school community to access safe and inclusive learning environments, including digital and online spaces.

Attached to this letter you will find the 'Acceptable Use of Technology and Lease Arrangement Policy' and 'Google Online Services' Permission . These guidelines form part of the school's eLearning plan.

Parents are asked to read and discuss both documents with their child, and sign the 'Acceptable Use of Technology Agreement' and 'Google Apps for Education - Privacy information and consent' on the final page. The aim is for students to understand the importance of following the expectations as outlined in these documents.

We understand that some of the content may be quite detailed for some students. At the beginning of each school year, teachers will revisit both the Acceptable Use of Technology and Google Apps for Education - Privacy information and discuss relevant behaviours.

The consent form needs to be signed and returned for each student for access to our network. This form will be **valid for Years Two to Six of your child/rens enrolment at Mount Waverley Heights Primary.**

If you have any queries related to this information please contact me at school.

Yours sincerely,

Sharon Reiss-Stone
