

## Dates To Remember

### TERM TWO

**Friday 23rd June**  
Beacon School Graduation

**Friday 23rd June**  
Term 2 finishes - **2.30pm**

### TERM THREE

**Monday 10th July**  
Curriculum Day

**Tuesday 11th July**  
Term 3 commences 9am

**Monday 17th July**  
Assembly - 2.40pm

**Wednesday 26th - Friday 28th July**  
Year 5 Narnbool Camp

**Friday 28th July**  
100 Days of Prep

**Monday 31st July**  
Assembly - 2.40pm

**Wednesday 2nd August**  
School Council 6pm

## Thursday 22 June, 2023

### END OF TERM AWARDS ASSEMBLY

Congratulations to all our end of term award winners!

Prep D - Owen H  
1D - Harper C  
2E - Kadhira B  
3D - Samuel P  
4K - Audrey C  
5S - Talib A

Prep K - Alia A  
1G - Allegra K  
2F - David M  
3J - Elijah L  
4R - Damien Y  
6M - Emma H

Prep M - Lincoln P  
1M - Victoria W  
2T - Olympia O  
3M - Siena F  
5D - Sam C  
6V - Sarah K

**Art** - Lachlan E, Phoenix G, Aliyana R, Matteo M, Harry C, Sebastian O, Seanna G

**Japanese** - Ethan G, Toob S, Manreet K, Lila R, Scarlett R, Zachary W, Farida A

**Music** - Emma Z, Adithi W, Phoenix R-Z, Fung C, Caitlin W, Nam C, Josh D

**PE** - Amelia P, Christopher S, Charlee O, Jacob L, Maddie C, Nela J, Lara A

### OPALS - HOUSE POINT WINNERS

Congratulations to Opals for achieving the most amount of House Points this term. They celebrated by wearing Red on Wednesday.

### **SUPERHERO DAY**

Thank you to everyone who supported our Superhero day. It was wonderful to see so many students dressed up as their parents! We had quite a few teachers, a school captain, various famous people and lots of superhero characters. We raised \$320.10 for the Hero4heartkids organisation.

### **BEACON SCHOOL GRADUATION**

Don't forget tomorrow is our big graduation ceremony. We hope you can join us at 1.30pm for our assembly. Thank you to Kiralee, Scott and Claire who have been instrumental in organising our tech day tomorrow.

### **SIBLING ENROLMENTS**

If you have a younger sibling who is due to start school next year, or know of any families who are within our zone and have a child due to start school, we ask that you submit an enrolment form as soon as possible. Our numbers are nearing capacity and we would hate for any existing families to miss out. Please speak with Louise or Julie in the office and collect an enrolment form.

### **EARLY FINISH**

Just a reminder that we finish at 2.30pm tomorrow.

### **CURRICULUM DAY - JULY 10**

The first day back after the July holidays is a Curriculum Day. We have booked Dr James Russo who will work with staff around developing students' critical thinking, problem solving and reasoning skills in mathematics.

### **FACILITIES UPDATE**

- Holes in the Solomon St car park will be repaired over the holidays. If you children are using the holiday program, you may need to park out on the street and walk into the school grounds. Apologies for any inconvenience.
- The last traces of asbestos were removed from our school over the weekend. We are now asbestos free!
- Portable - Whilst we were expecting to gain access to the new portable in week 8, electrical faults and lack of workers have pushed the handover back. As such, our Year 6s and 3J classes will be moving in the first week back after the school holidays.

### **Let's celebrate...**

- A fantastic term of learning!
- The student comment section on reports. Carolyn and I love reading these!
- Our Soccer Round Robin Team - Congratulations for finishing second in your pool. Awesome effort!
- No more asbestos in the school!
- Holidays!

Have a wonderful break everyone!

*Sharon Reiss-Stone*

Principal

# Assistant Principals News

## INTERVIEWS

Thank you to all our staff who spent the last two evenings meeting with parents. We trust that you found the time useful to sit down with teachers to discuss your child and their learning. If you have any questions about your child's learning, our teachers can be contacted either by phone or through Sentral messaging.

## LEARNING SPACES

The sensory garden is developing into such a lovely learning space. It has been so exciting to see classes make use of this beautiful space. Recently, I have noticed music classes practising and playing their ukuleles. Even Mrs Reiss - Stone enjoyed the impromptu concert!

## END OF TERM ASSEMBLY

Here are some highlights from the end of term assembly for those who couldn't join us!

Have a great break!!

*Carolyn Datson*

Assistant Principal

## PE News

### Soccer Round Robin

Last week in the Soccer round robin, we played against schools in our district at Eastern Lions Soccer ground. We had many practices to select the team and we were lucky to be the ones chosen. The pitch was small but we managed to cope with it. Our first game against Knox we had scored no goals as well as the other team, we tied. Our 2nd game versus St Christopher's was a great game and our wingers were too good and we won 5-2. Our next game was a tight match against Huntingtower, ending up another tie with it being 1-1 with Robert as the only goal scorer. Our final game against St Luke's started off with us winning two nil, then they started catching up and tied with us two all. In the end we won once and tied 3 times, thanks to our goalie Vela and our team of little Messi's. We didn't make the semi finals but we held up a great game, on the bright side we all had fun and enjoyed the canteen. We tried our hardest and it was great! A special thanks to Mr Marrone for coaching the team and holding the team spirit up high!

Dion, Vela, Philippe, Robert, Alrazza, Amish, Thomas, Milton, Talib, Mateja, Noah F, Sam

### Year 5/6 Lacrosse

As part of our invasions unit the year 5/6 students have been learning how to play lacrosse.

It is a very fast paced game with lots of skill involved. Students have learnt how to throw and catch and scoop the ball.

A big thank you to Lacrosse Victoria who has been working with the students teaching them the skills of lacrosse.

### Housekeeping

For PE sessions can you please make sure that long hair is tied up. If you child is unable to tie up their shoelaces, these holidays might be a great time to teach them and then give them an opportunity to practice.

As our semester comes to an end I would like to say a very big thank you to all the parents who have helped support our PE program this semester. We have accomplished so much from Whole school Athletics and Cross Country, to Swimming and our Round Robin days for the year 5/6 students.

Our sporting events for next semester:

### Term 3

Hooptime (selected students)

-Year 3/4 's - 7th August

-Year 5/6 's - 31st August

SDSSA Basketball Round Robin -Year 5/6 - (selected students) 8th September

Footy Day - 15th September.

### TERM 4

Swimming Program Prep and Year 1 - 3rd October - 13th October.

SDSSA Summer Round Robin - Year 5/6 - 10th November.

### Thank you

I would like to acknowledge the 18 Year 6 students that help out at our Whole Sports Afternoon yesterday. You were all very helpful and supportive of the junior school. It was great to see you getting involved with the games and encouraging the younger students to have a go.

# Premiers' Reading Challenge

Our school is excited to be once again participating in the Premiers' Reading Challenge this year. The Challenge is open to all Victorian children in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 8th September 2023.

Students from Prep to Year 2 are encouraged to read or experience 30 books, including at least 20 books that are classified as Challenge books. Students from Year 3 to Year 6 need to read 15 books, including at least 10 Challenge books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

**To log in, go to the website [vprc.eduweb.vic.gov.au](http://vprc.eduweb.vic.gov.au). Click 'Sign In' then click 'VPRC login'.** Each child has been sent home with their unique username and passcode. This will take you to your child's challenge dashboard. Here students will be able to search for and add books that they have read and track their progress.

Happy reading!

*Penny Fathers*

Reading Challenge Coordinator

# ICAS - Years 2 - 6

## ICAS Reminder

Last term students in Years 2-6 received a Sentral notice about ICAS (The International Competitions and Assessments for Schools). This is a skill-based assessment program which recognises and rewards student achievement. Our school is offering testing in English, Mathematics, Digital Technologies and Science for students in Years 2-6. The tests will be completed at school towards the end of Term 3.

The competitions are optional and there is a cost involved. If you wish for your child to participate you will need to **pay via the online parent system by Friday 21st July.**  
**ICAS forms with information are still available through Sentral.**

Please pay via the website <https://shop.icasassessments.com/pages/pps>

Type in the school's access code **XCH180**

*Callum Marini*

ICAS Coordinator

# Around the Classes

**Reading**

- We have been book detectives. We are learning to use all of the clues to help us infer.
- We look at the pictures and the words to help us understand the text.
- We think about what we already know to help work out what the text means.

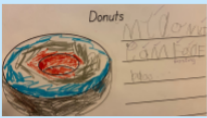

**Math**

- We know the **Friends of 10**.
- We can **count all** and **count on** to add.
- We are practising **sharing** equally into groups.
- We found things that were **heavy** and **light**.
- We can sing the **days of the week** and talk about yesterday, today and tomorrow.

**Writing**

- We have been using our sounds to help us write words.
- We leave spaces between our words.
- We use capital letters at the start of our sentences and full stops at the end.

**Inquiry**

We have been learning about living and non-living things

- We watched our plants grow and kept a diary
- We loved visiting Chesterfield Farm to see the animals.

**Reading**

Non-Fiction strategies covered:

- Reading with a sense of WOW
- Find the main idea
- Look to text features: photos, glossary, diagrams

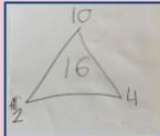

Fiction strategies covered:

- Find the problem
- Make a prediction
- Change your voice to match the punctuation

**Maths**

Addition  
Time  
Graphing  
Chance  
Skip counting

**Writing**

**Information reports**

- Sentence fluency
- Long and short sentences that are easy to read

**Procedures**

- Word choice
- Use just right words, zippy verbs, WOW words

**Recounts**

**Narratives**

- Organisation
- Beginning, Middle, End

**Inquiry**

**Earth and Space- How can we look after our planet.**

- Earth crusaders incursion
- Reduce, reuse and recycle

Presented by Eko

## Reading

- Non-Fiction Strategies  
Recalling facts  
Paraphrasing
- Fiction Strategies  
Inferencing  
Making Connections  
Author's Purpose

## Maths

### Topics covered:

- Addition and subtraction
- Multiplication/ arrays
- Money
- 3D and 2D shapes
- Measurement: length/area
- Maps
- Skip counting/patterns

# Year 2

## Writing

- Procedure Writing  
Bossy Verbs
- Persuasive  
Rhetorical Questions  
Hyperbole  
Emotive Language  
Organising Ideas

## Inquiry

### Everyday Materials - How do materials change?

- Hands on incursion
- In class experiments

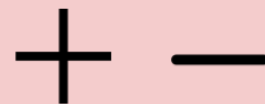

## Reading

- This term our Reading lessons have focused on environmental issues to work in with our Inquiry unit.
- We have all worked towards our reading goal of becoming better at making inferences as we read.
- We have looked at Non-fiction texts and have learned how to identify topic and sub-topics and how to paraphrase.

## Maths

- In maths we have learned many new maths strategies for addition and subtraction.
- We have learned how to apply the jump strategy on a number line.
- We know how to apply the algorithm for both addition and subtraction problems.
- We looked at data and learned how to graph using Google Sheets.

# Year 3

## Writing

- This term we completed a large poster based on an animal.
- We researched our animal and wrote informative paragraphs on their diet, appearance and habitat.
- We learned how to write an informative paragraph in a narrative style when we wrote on our animals behaviour.

## Inquiry

- In Inquiry this term we have started our project on a big question.
- Our topic is called 'Life on Land' and we are working on a project with a partner on how we can curb the extinction rate of endangered animals.
- We are learning critical thinking skills, researching skills and how to collaborate with others.

Presented by Mira Bana

## Reading

- Identifying text features in non fiction texts
- Stopping and Jotting information from non fiction texts, videos and songs
- Using an index, glossary and dictionary to help us understand words in context.
- Reading before, during and after a sentence to find the meaning of unknown words
- Paraphrasing and writing summaries
- Paper Mache Planets

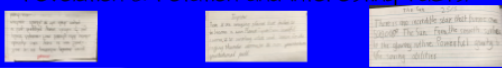

## Maths

- Length
- Addition and Subtraction
- Worded Problems
- Multiplication
- Data
- Tracking and graphing the weather on Mars
- Shape and Tangrams
- Volume
- Inverse Addition and Subtraction
- Equivalent Addition and Subtraction

## Writing

- Evaluating websites: Are they credible? Are they reliable? (Wikipedia is neither!)
- Writing Information Reports on a planet, star or moon of our choice in our Solar System
- Creating an engaging introduction using patterned writing from *The Perfect Planet* (thankyou David Attenborough)
- Independent researching and paraphrasing information on features, weather systems, revolution & rotation and interesting facts.

## Inquiry

*Life Elsewhere - Planet Quest*

- Investigating how we can sustain life on Mars
- Zoom Meeting with Monash Tech: How to be a Space Habitat Designer
- Coding using the MakeCode Program and Microbit Smart Kits to create sensors, alarm boxes, automatic bins, wardrobes, light systems, moisture detectors, spirometers and so much more!
- Designing homes, cities and agricultural facilities for our habitat.
- Developing our collaboration and problem solving skills

Presented by Audrey & Hiyori

## Reading

This term we have focussed on:

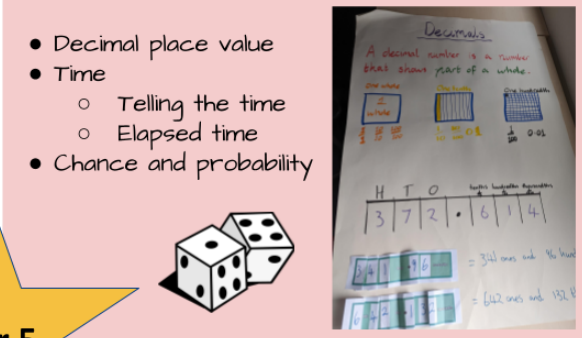

- Making inferences and drawing conclusions from the text
- The Lion, the Witch and the Wardrobe novel study

## Maths

This term we have focussed on:

- Decimal place value
- Time
  - Telling the time
  - Elapsed time
- Chance and probability

## Writing

This term we have focussed on:

- Organising our ideas in narratives and persuasive texts
- Writing a narrative about a 'whisper'
- Writing a persuasive text about our inquiry topics

## Inquiry

This term we have focussed on starting our inquiry projects on the following global goals:

- Clean and affordable energy
- Life below water

Presented by

### Reading

- Highwayman by Alfred Noyes
- Word meaning in context
- Distinguishing between fact and opinion
- Recalling facts and details
- Literature circles

### Writing

- Debating
- Persuasive techniques
- Greta Thunberg patterned writing

### Maths

- The four operations
- Worded problems
- Measurement conversion

### Inquiry

- Global Goals Inquiry Unit
  - Clean and affordable energy
  - Life below water

## Art

Our Year 3's and 4's have been creating their own Guardian Sculptures in Art over the term. Students had to design and create their own statue that they imagined could come to life and be their protector. Have a look at some of their amazing designs!

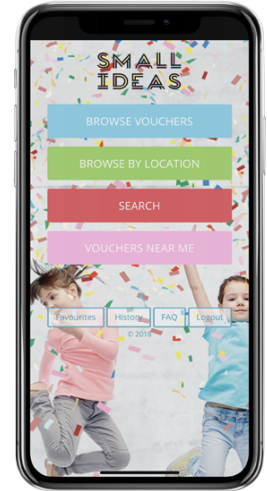

# PA News

## SMALL IDEAS – HUGE FAMILY SAVINGS

Small Ideas is the best way for you and your family to have hours of FUN and ADVENTURE all year long.

For just \$34.95 you can get hundreds of discount vouchers to use at venues, for activities and products and services all over Melbourne, making eating out, birthday parties, school holidays, sport/art classes and other Melbourne attractions affordable for everyone. Some of the vouchers include discounts for Village Cinema, 3 Park Theme park pass on the Gold Coast, Funfields, Gumbuya World, Lollipops, Boost Juice, and plenty more.

Have you got a trip planned to Bali? Small ideas have got you covered!!!

Everyone who buys Small Ideas loves it and more importantly \$10 of each one sold goes towards our schools fundraising efforts. Why not ask friends and relatives if they would like one, too? The more we sell the more money we make.

Please make sure you purchase one from the Link provided below and you'll receive an email instantly so you can start saving and having fun!

<https://smallideas.com.au/fundraisers/support/?id=30493>

Thank you for helping us raise money and supporting local business'.

A promotional banner for Small Ideas. At the top, the 'SMALL IDEAS' logo is displayed. Below it is a red navigation bar with a 'MENU' icon on the left and 'LOGIN' on the right. The main part of the banner features a photograph of a young girl with a flower in her hair, giving two thumbs up. Overlaid on the photo is the text 'BIG SAVINGS FOR SMALL PEOPLE'. At the bottom, a red bar contains the text 'AUSTRALIA'S NO.1 MEMBERSHIP FOR FAMILIES!' and a white button with the text 'ORDER NOW'.

# Recycle your Bread bags!!

There are only a few weeks to go, so keep sending in your bread bags!!

Send in your empty bread bags and place them in our Wonder Pink collection box. The more we collect, the more points we earn to redeem new sports equipment! We have a Pink box collection point in the office and one with Extend.

**RECYCLE, EARN & PLAY**

**Our school<sup>®</sup> is taking part in the Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school<sup>®</sup> with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school<sup>®</sup> earns!

**Collections close 7th July.**

**Tip for collecting:**  
Use one empty bread bag to collect a bunch of other bags.

**Did you know?**  
Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

**LET'S GET COLLECTING!**

Includes early learning centres and pre-schools.

Tag [@wonder.australia](#) [#wonderrecyclingrewards](#) to share all your recycling champion stories!

**ONE WEEK TO GO!**

## EXTEND SQUAD

FANTABULOUS school holiday experiences!

### SPACE EXPLORERS

**MONDAY 26 JUNE**  
**Build Your Own Space Helmet & Rocket Launcher**  
 Do you want to be an Astronaut? Let's build your very own space helmet so you can go to the moon!  
\*Session Fee Only

**TUESDAY 27 JUNE**  
**Trivia Gameshow**  
 With real-life buzzers, a game wheel to spin and ridiculous minute to win it challenges the kids will be belly-laughing on the floor screaming for more!  
\*Session Fee + \$20

**WEDNESDAY 28 JUNE**  
**Plunge Painting & Newspaper Towers**  
 Take a plunge into painting! Smock up. It'll get messy.  
\*Session Fee Only

**THURSDAY 29 JUNE**  
**Laser Tag**  
 Gather your friends and put on your high-tech gear. Get ready to tag your opponents in a game of laser tag and then head to the arcade for even more fun!  
\*Session Fee + \$48

**FRIDAY 30 JUNE**  
**Skip To The Moon & Dancing Raisins**  
 Do you have what it takes to become an Astronaut? Put your endurance to the test!  
\*Session Fee Only

**MONDAY 3 JULY**  
**Blubber Experiment & Balloon Tennis**  
 Learn how animals with blubber stay warm even in the icy ocean water, using a simple science experiment!  
\*Session Fee Only

**TUESDAY 4 JULY**  
**Sunscreen Handprints & Indoor Hopscotch**  
 We can't see ultraviolet light with our eyes, but with this experiment you can see it in action!  
\*Session Fee Only

**WEDNESDAY 5 JULY**  
**Bounce**  
 Bounce is the perfect playground to develop your freestyle tricks these school holidays!  
\*Session Fee + \$44

**THURSDAY 6 JULY**  
**Make A Galaxy Pinwheel & Protect The Kingdom**  
 Hold the entire milky way in your hands by building a galaxy pinwheel.  
\*Session Fee Only

**FRIDAY 7 JULY**  
**Space BrickWorks**  
 Aim for the stars as you build a space station, moon buggy or rocket!  
\*Session Fee + \$28
