

PUBLICITY CONSENT FORM – ONGOING

It has always been our practice at Mount Waverley Heights Primary School to recognise, display and publish the work and achievements of our students. With the increased use of multimedia within all our curriculum areas, this now frequently includes standard photography, digital photography and the use of video recordings.

There are occasions where students' work, their photographs or video recording may be used in areas such as the media, school website, school social media, class wikis or in public displays to publicise or promote the school and its activities. As the availability of information concerning the students is restricted, no surname or address will be used.

Parents/carers are asked to complete the consent form and return it to school as soon as possible. This form will be valid for the duration of your child's enrolment at Mount Waverley Heights Primary.

Please inform the school if care and/or custody arrangements change, as this form will need to be re-signed to reflect these changes.

If you no longer wish to provide consent for participation in publicity/promotional activities, please inform the office in writing.
