## Principal's Report

### REMEMBRANCE DAY

Saturday 11 November is Remembrance Day — a day for us to remember those who have served and those who have died in all wars and peacekeeping operations.

Remembrance Day marks the date in 1918 when the First World War came to an end. It is officially observed at the 11th hour of the 11th day of the 11th month each year.

Our captains will be holding a service for the whole school on Friday 10th November at 10.55am. We will then have a minute's silence to remember all those who have fought in wars.

Lest we forget

### REMEMBRANCE DAY POPPIES FOR SALE

Our SRC representatives will be selling poppy badges and wristbands, on behalf of the Waverley RSL. There are a range of poppy badges available to purchase for \$2, \$5, \$10, \$20, \$30 and \$50, as well as wristbands for \$3 and Bag tags and Key rings for \$4.

Please make sure your child has correct money as change can not be given. Students will go around to classes during the day to sell these.

### CAMP

A huge thank you to Mrs Gillespi for organising the Year 4 camp and to Mrs Koudmani and Mr Ryan for their support and attendance.

We would also like to acknowledge our parents Cara Cao and Judy Kim who were brilliant helpers on camp last week. I also enjoyed attending and spending time with our Year 4s. The students attempted all challenges with a positive attitude and it was great to see them thrive in an alternate setting.

Our Year 6 students will be heading to Warrnambool for their camp -beginning Monday Nov 20. We haven't attended this camp before, so we look forward to hearing all about it, upon their return!

### **INTERNAL TRANSITION SESSIONS**

Our internal transition sessions begin for all levels next Tuesday. At our first session, students will have the opportunity to hear about the exciting things that happen in the year above and they will also be asked to write down 5 friends they work well with.

From this list, we guarantee that at least one of their friends will be in their 2024 class.

## ICAS HIGH DISTINCTION/DISTINCTION

## Year 3 Camp - Gundiwindi

Over the 30th and 31st of October 2023, the grade 3's went to Gundiwindi lodge for our camp.

We went on an awesome bus ride there. The trip took about an hour.

The Gundiwindi lodge was one of the best experiences I have ever had. When we got there we ate our recess on a really cool picnic area. After everyone had finished, one of the camp owners came and talked to us about all the rules and places that are cool. Afterwards, Mr Marrone announced what cabins we were going to sleep in.

I was in cabin 1 with Orian, Sidd, Siddy and Vedh. The cabin was tiny and all five of us had to sleep there.

After we unpacked and argued about who would get the top bunk, we went out and explored.

There at the Gundiwindi lodge they had 7 sheep, a cow named Rosie, and a donkey named Shenae.

Then we got into groups and set off for the activities. First, I went onto the big zipline that went along a giant meadow. It was a lot of fun flying down a meadow at really high speeds. Next, we got to go on the trampolines and do a nature hunt around the camp. I had a lot of fun on the trampolines, bouncing up and down while doing lots of tricks.

Next, we had some afternoon tea and got ready for the next activity. The next activity was damper cooking. This one was more of a relaxing activity, yet I still enjoyed it. When we were waiting for the damper to cool down, Mr Marrone said we could pick it off and eat a bit. So I did. But it was so good that I took another bit off. So by the time I was ready to put jam on it, .... I had eaten half of my damper already.

After that we got some more free time, then we had dinner. First we got some pasta, then we got some ice cream and jelly. Afterwards, we went to the recreation room and ran around a bit. After everyone was tired, half of us went to roast some marshmallows and half stayed back. Then we swapped around. It was a lot of fun in the rec room, and I played table tennis with Ryan. I beat him 21-7.

After that, we watched the Bee movie. Then, at 10:00 we finally had lights out. The beds were quite comfy and I was warm in my sleeping bag.

The next morning I woke up at 7:00. We all got dressed into our day clothes and went out to have free time. At 8:00, breakfast was ready. We walked in and sat down on our chairs.

*There was already cereal on our table. I got some weet-bix and it was very good. Then we got served some toast, followed by pancakes.*

*Then we got onto the next rotation of activities. I was on the giant swing next. The giant swing went like this. Someone would be harnessed to a rope. Then everyone would pull a rope and the person attached to the rope would start moving up. Everyone would count down from three. Then the person would pull a string and the rope would snap. The person would fall back at extremely high speeds. That's probably it. The giant swing was really fun.*

*Next is my favourite one. It was the survival skills activity. We basically had to build a shelter from what we could find in a dense forest.*

*I worked with Charlie, Felix, Rohan and Romeo. We made a really cool shelter made of sticks and leaves. When we were done Mr. D chucked a bucket of water on it while we were in it and we didn't get wet. I found it really fun building the shelter.*

*After the final activity we went back to the picnic area to have morning tea. Then we had a bit of free time before lunch. Afterwards, we got on the bus and drove back to school.*

*I really enjoyed Gundiwindi lodge and I want to go back there soon.*

- Samuel Petrucci 3D

*From Monday 30th to Tuesday 31st of October, nearly all of the year 3's went to camp and it was our first time going to camp. I was excited and scared at the same time. It took about an hour to get there. When we arrived the first thing we did was have our snack, brainfood and lunch, then after that we had a chat about the beds, activities, rules and the people in our cabin. I was most eager to find out who was in our cabin and I got...Mira, Aanya, Eryn, Kimberly and Arya. We had so much fun together in the cabins. We had 2 triple bunks, on the first triple I was at the top, Arya was in the middle and Mira was at the bottom, for the second bunk Kimberly was on the top, Aanya was on the middle and Eryn was in the bottom bunk.*

*After we got settled in we did free time of our choice. We were petting or feeding the animals, playing on the playground, the oak tree, volleyball or playing with the sports equipment and finally chilling in the cabins, so I went to go feed the animals. There was a cow named Rosey, a donkey named shennay and lots of sheep. I pet and fed all of them.*

*We had groups of people for the activities and in my group we had Lara, Yassir, George, Lincoln, Rickson, Kimberly, Arya, Kamal, Asya, Phoenix, Vivaan and Jeremy. The owners of the camp are Danny and Amy and the chef is Beck.*

The activities were the flying fox, giant swing, trampoline, nature hunt, damper and marshmallows. The flying fox was 6m and the giant swing was 16m.

For dinner we had pasta in the dining room, then for dessert we had jelly and ice cream. I had bolognese for dinner. At night we went to the rec room for a movie and games and we split into 2 groups for marshmallows. After that we watched a movie called the "BEE MOVIE". It was so good but at 10:00pm we went to bed, my cabin went to sleep at 10:30 because we couldn't sleep and we were laughing.

In the morning we got ready and had a bit of free time and needed to pack to go home.

For breakfast we had a 3 course meal. We had cereal, toast and pancakes. It was so yummy. Then we went on the bus to school and went home. I was so excited to see my parents and my little brother.

- Zara 3B

Hello parents,

On Monday of week 5 we went to Gundiwindi Lodge.

We got on the bus and headed to camp. Once we got there we ate our snack and brain-food.

Then we got to our cabins and set up. Afterwards we had a tour around the camp to show us the activities. Next we had some lunch and I was very hungry.

Then we did our very first activity! There were 5 rotations which means 5 activities to do. My group went to the Giant Swing first. Not everyone went to the top but everyone gave

it a go and when I went to have a go I was very nervous because it was my very first time doing something like that. Afterwards we went to Survival Skills. In Survival Skills we were split into different types of groups. We had to make a safe survival bunk that is windproof and waterproof and when we were all done we did a water test and everyone passed.

Next we went to afternoon tea and had a break.

After that, we did one more activity that was Flying Fox and everyone had so much fun on that one and I did too. Straight after we had some free time and chilled in our cabin for a while. After a little bit of playing, we had some dinner and it was so good and after we ate some dessert.

Then we had some fun in the Rec Room and some people had some marshmallows. Then we watched a movie and went to bed at 10:00.

*The next day we woke up nice and early and had brekkie at 8:00. Then we changed to get ready for 2 more activities. But beforehand we cleaned our cabins. My group did Trampoline and camp hunting, and after that we went to cook some Damper in a fire. Next we had morning tea and had a little bit of free time. Then we headed back to school and some people went home.*

*Thank You!*

# WHAT DO I NEED TO KNOW FOR SUMMER VACATION CARE?

**What food should I pack for my child?**

Please pack a healthy, nut free morning snack and lunch as you would for a normal school day. The service will provide a delicious and healthy afternoon snack.

Please ensure a refillable water bottle is packed for your child.

**What should my child wear to vacation care?**

Your child should wear long pants (trackies or leggings), a shirt that covers their shoulders (no singlets), a hat and a warm jacket if it is cold. Your child must also wear closed shoes (no thongs or sandals).

If the children are doing art or a messy activity, please wear old clothing or pack an art smock.

**What if I have a question about Child Care Subsidy?**

We are approved to process your Child Care Subsidy payments from the federal government. However, we are not in control of how much subsidy is paid by the government to each family.

If you have questions about Child Care Subsidy please contact Services Australia on 136 150.

**Can my child attend services in a different state?**

If you are enrolled with Extend, you can attend an Extend service anywhere in Australia where a service is available.

You do not need to regularly attend the school itself to attend a holiday program. All primary school aged children are welcome.

**Where do I find excursion bus times?**

If you have already booked your vacation care sessions, log in to your LookedAfter account, go to your booking calendar and click on the excursion session. Information regarding the session will pop up and you will find the bus time listed under 'Service'.

If you are booking a session, follow the usual booking process. You will find the information under 'Service'.

**How will CCS help you save money during vacation care?**

CCS covers up to 90% of the session fee, incursion fee and excursion fee based on the household income.

For example, a family eligible for 64% CCS will only pay 36% of the remaining session fee. This means for a 10 hour session costing \$100, the family will pay the gap fee of \$36 with the remaining \$64 covered by CCS. That's \$3.60 per hour!
