Principal's Report

YEAR 6 GRADUATION

Unfortunately, due to a fall then a sneeze, I spent graduation night in the Emergency Department of Monash Hospital with a fractured rib. I am so sad to have missed such an important night for our Year 6 students.

On all accounts, it was a fabulous night. A huge thank you to our wonderful teachers Mr Marini and Miss Vojovic for their organisation and coordination of the event. A big thank you also goes to the parent committee who assisted with this event. Thank you to Kelly who made the graduation cake and cup cakes, as well as set up for the event with Georgette and Mia, and to Anna who helped with sourcing decorations.

To our amazing Year 6 students. Congratulations on officially graduating from primary school. It feels like just yesterday that you commenced your journey here at MWHPS. We have felt privileged to share these years with you and thank you for your commitment, endeavour and passion for all that you have brought to MWHPS. We are so proud of you all.

We hope you look back through the years with fondness and remember the best days and experiences of your primary years. Enjoy your next challenge and embrace it with commitment and passion.

END OF TERM ASSEMBLIES

Our Year 6 2024 Student Leaders and Award winners assembly will take place on Monday from 9.15am. All parents are invited to attend.

MEET YOUR 2024 CLASS

Students had the opportunity to meet their new teacher and classmates on Wednesday. Teachers take many weeks to form these classes and agonise over the friendship combinations.

NEIGHBOURHOOD WATCH

Prior to covid, we use to run a neighbourhood watch activity and it has been wonderful to see this initiative restart this year. Students in Years 1-4 researched how to be safe at home and in our community by looking through the Neighbourhood Watch website. They were then asked to produce a poster which communicated key ideas on how to be safe. Congratulations to our winners...

AUSSIE OF THE MONTH

Congratulations to Jennifer N for being our Aussie of the Month. Jennifer is a kind and caring member of her class who comes to school each day with a smile and ready to learn. She shows great courage in her learning, taking on challenges and working hard to achieve personal goals. Jennifer demonstrates our school values in everything she does and is a great role model for her peers. She is a helpful and empathetic member of Year 2, who looks out for others and is always ready to comfort them. Jennifer treats everyone with respect and is kind hearted. Jennifer truly embodies the Mount Waverley Heights spirit.

COMMUNITY SPIRIT

I just wanted to acknowledge and congratulate Lauren K for achieving the Community Spirit and Leadership Award. Lauren and her family attended the ceremony on Tuesday.

SRC & SUSTAINABILITY

Leadership comes in many forms and it is always interesting to see those students who offer to step into a broad range of roles over the time at MWHPS. Congratulations to the following students for taking on new opportunities.

STAFF UPDATE

I was informed on Monday that Mrs Julianne Marshall had successfully picked up a teaching position at St Andrews PS. I was aware that Julianne was exploring new opportunities to further enrich her skills, seeking diverse experiences to enhance her professional growth. I would like to thank and acknowledge the wonderful work Julianne has done at MWHPs for the past 7 years. Julianne is an exceptional teacher and will be missed by all.

Knowing that Julianne was looking to further her teaching experiences, I had advertised a position - just in case Julianne was successful (To be honest, I knew that she would be snapped up). On Tuesday we interviewed and appointed Mr Courtney Chan. Courtney currently teaches at Balwyn PS. He has 12 years teaching experience, excellent tech skills and a great understanding of student wellbeing. I believe that he will be a great fit for our students and staff. Courtney was also able to attend yesterday, to meet his Year 2 class.

XMAS CONCERT

Our school's Xmas concert will be held on Monday Dec 18 from 5-7pm. Please see details from Miss Canning further in the newsletter. There will be sausages and hamburgers for sale for \$3 and cold drinks for \$2. Eftpos facilities will be available, as well as cash.

SECOND HAND UNIFORM

If any families who are leaving us at the end of the year have uniforms they would like to donate to our 2nd hand store, it would be much appreciated. We do ask that uniforms are washed and not torn. All donated uniform can be dropped to the office, or sent via the tubs.

LOST PROPERTY

We currently have a lot of jackets and containers in lost property with no names on them. Please come and have a look through to see if any might belong to your child. These will be in the PAC at the assembly on Monday for parents to look through. Any containers not collected will be thrown out and jackets donated to the 2nd hand store.

Let's celebrate...

- Our students for their achievements this year. So proud of you all
- Our amazing staff for the incredible efforts this year! We are so lucky to have such a wonderful team.
- Our incredible parents for your support, generosity and commitment to your child's education, which greatly contributes to our school community's success and growth.
- Only 6 more sleeps to the end of the year and the beginning of our summer holidays!

Wishing everyone a Merry Xmas and Happy New Year.

WHAT DO I NEED TO KNOW FOR SUMMER VACATION CARE?

What food should I pack for my child?

Please pack a healthy, nut free morning snack and lunch as you would for a normal school day. The service will provide a delicious and healthy afternoon snack.

Please ensure a refillable water bottle is packed for your child.

What should my child wear to vacation care?

Your child should wear long pants (trackies or leggings), a shirt that covers their shoulders (no singlets), a hat and a warm jacket if it is cold. Your child must also wear closed shoes (no thongs or sandals).

If the children are doing art or a messy activity, please wear old clothing or pack an art smock.

What if I have a question about Child Care Subsidy?

We are approved to process your Child Care Subsidy payments from the federal government. However, we are not in control of how much subsidy is paid by the government to each family.

If you have questions about Child Care Subsidy please contact Services Australia on 136 150.

Can my child attend services in a different state?

If you are enrolled with Extend, you can attend an Extend service anywhere in Australia where a service is available.

You do not need to regularly attend the school itself to attend a holiday program. All primary school aged children are welcome.

Where do I find excursion bus times?

If you have already booked your vacation care sessions, log in to your LookedAfter account, go to your booking calendar and click on the excursion session. Information regarding the session will pop up and you will find the bus time listed under 'Service'.

If you are booking a session, follow the usual booking process. You will find the information under 'Service'.

How will CCS help you save money during vacation care?

CCS covers up to 90% of the session fee, incursion fee and excursion fee based on the household income.

For example, a family eligible for 64% CCS will only pay 36% of the remaining session fee. This means for a 10 hour session costing \$100, the family will pay the gap fee of \$36 with the remaining \$64 covered by CCS. That's \$3.60 per hour!
