## Principal's Report

### INFORMATION NIGHTS

Thank you to everyone who attended the Information Nights over the past week. Your flexibility and understanding was much appreciated. We hope that you found the nights informative. Thank you also to our staff who rearranged their personal commitments. Slides and videos (Yr 1-4 only) will be shared shortly.

### PARENT -TEACHER CHATS

It was great to see so many parents attend either in person or online for our parent-teacher conferences. These catch ups provide a wonderful opportunity for parents to share their knowledge, set goals and provide feedback on how their child has settled into the new year. It also gives teachers an opportunity to share their initial findings. Should you have any further questions please feel free to get in touch with your child's classroom teacher through Sentral.

### GARDENING - TUESDAY MARCH 5

Many of you are aware that our retired Speech Pathologist (Leanne) very kindly donates her time to work on our garden beds. The beautiful succulents that run along the teacher car park area is a testament to her incredible dedication. She definitely has a green thumb. Every week Leanne donates her time to weed, plant and maintain a range of garden beds, but we need your help.

#### **WHEN: TUES MARCH 5**

**TIME:** Anytime between 10am and 3pm

**WHAT:** Weeding then spreading the mulch that has been left near the front of the school

**BRING:** Your own gardening gloves, rake, shovel, wheelbarrow (if possible) and mask

Even if you only have an hour, we would really appreciate your help!

Please let Julie know if you can help out and we will add you to the list!

## **SUSTAINABILITY - CALLING FOR HELP**

Calling for any interested parent/s who are willing to give up a lunchtime or two to work with students to strip our current garden beds and plant some veggies/fruit. We would love someone who was able to coordinate works and rally the troops (grandparents and other parents) to get involved. The more hands the merrier! Please let Julie know, if you are interested in being involved or interested in leading the program.

## **CLASS DOJO**

As mentioned at the Information Nights, we are moving to Class Dojo to share work, assessment, photos and videos of your child with you. If you haven't received an email from us to join Class Dojo then we probably do not have your latest email address. Please see Julie ASAP if you need to update your email address or if you are having any issues. As a result of moving to Class Dojo we won't be using SeeSaw anymore. Families have until March 28 to save previous work samples and posts. After this date, you will no longer be able to access this app.

**Reminder:** Please do not share any photos/videos, etc of other children on social media apps. If there is a group photo, it cannot be posted without permission from **all** parents. Please be respectful and follow these rules.

## **MULTICULTURAL DAY- Thursday March 28**

If you are interested in running an activity for Multicultural Day, I would love to hear from you. Or maybe you would like to organise a group of parents to run an activity?? Either way we are open to parent input. Please complete the form below.

<https://forms.gle/6VaDxeyhr42PDibZ6>

This agreement is in place for as long as your child is at MWHPS. All prep and new families received information at the start of the year on how to join. If you did not receive a form and would like your details included, please use the following link - [Prep and New family contact details](#)

If you are a current parent who did not take up this offer last year, but would now like to be included or your details have changed, please let Julie know ASAP.

### Let's celebrate...

## WE WANT TO HEAR FROM YOU

We value your thoughts and would like to get some feedback from you on our recent info nights. Did they meet your needs? Did you get all the info you needed? Do you know what our wellbeing approach is?

Please click the links below to have your say!

## WELLBEING

Our school approach to wellbeing is School Wide Positive Behaviours (SWPBS). SWPBS is our umbrella and under that we have the Resilience Project, Respectful Relationships and Social and Emotional Learning (SEL). Research tells us that young people who feel safe, connected and secure and have loving and trusting relationships are more likely to be active participants in their learning and to achieve better physical, emotional, social and educational outcomes (<https://studentwellbeinghub.edu.au/>).
