## Principal's Report

### TWILIGHT SPORTS - 5.30 -7pm

Don't forget to keep Wed March 20th free for our Twilight Sports Event. This is a House competition that promotes teamwork and sportsmanship. Families are encouraged to come dressed in their child's house colours. PA are running a BBQ from 4.45pm onwards so feel free to come down and purchase a sausage or two! Families are also welcome to bring their own picnic. Don't forget your chairs and rugs!

### NAPLAN - Next Week

Our main testing days are...

Wed March 13 (Writing)

Thu March 14 (Reading)

Fri March 15 (Language Conventions)

Mon March 18 (Maths)

Tues March 19-22 will be used to test any students who were absent for any of the assessments. For Year 3 and 5 families, please avoid booking any appointments during the above dates.

### NAPLAN DATA 2023:

Despite the negative NAPLAN talk in the media of late, our school results in 2023 were excellent. If we take out students on the PSD program (whose data is included in the overall school data) we perform at or above similar and network schools in almost all areas. Similar schools are just that - similar in socio economic background (based on parent occupation information), EAL (English as an additional language) and families social disadvantage. Network schools are those in the area despite whether they are of similar standing. Here are our 2023 results once again.

Whilst each cohort has different strengths, we are always reflecting on how we can improve our practices. Given that our network is the strongest in the state, our students are doing exceptionally well. Don't believe all the hype in the media! They love to sensationalise reports.

### **CLASSROOM CONTACT LISTS**

We are currently updating our class contact lists. Class contact lists allow families to easily get in contact with one another to arrange catch ups, birthdays etc. Parents' details are only included if you have filled in the form and ticked 'yes' to being listed. This agreement is in place for as long as your child is at MWHPS.

All prep and new families received information at the start of the year on how to join. If you did not receive a form and would like your details included, please use the following link - [Prep and New family contact details](#)

If you are a current parent who did not take up this offer last year, but would now like to be included or your details have changed, please let Julie know ASAP or use the above link to add your details.

### **CLASSROOM REPRESENTATIVE ROLE:**

Mount Waverley Heights Primary School encourages the active involvement of parents and guardians in the functioning of the school through a Class Representative Program.

#### **The primary role of the Class Representative involves:**

- **Organising social functions e.g. morning teas and dinners for the parents, class play dates for the children.**

#### **Here are some minor role requirements:**

- Supporting the class teacher when and if required.
- Providing administrative support through coordination, facilitation and communication to the class parent group.
- Where requested by teachers, organising parent helpers for class activities and programs like camp, reading, sports events etc.
- Encouraging and supporting the members of the class group to get involved in school community activities and events.
- Supporting and organising others to assist with school events. Your details will be shared with the PA President so that they can directly link into different year levels.
- Welcoming new families to the class and arranging appropriate introductions with other parents of the class.
- Meeting with the Principal online 1 - 2 times a Semester to discuss how things are going.

If you would like to be a classroom rep please let Julie know ASAP.

### **SECONDARY SCHOOLS - YEARS 5&6 FAMILIES**

Just a reminder to Year 6 families in particular, to ensure that you have been on a school tour or attended some secondary school Open Days/Nights, if you haven't already done so. Tours and days are currently being advertised. We would also highly recommend **Year 5 parents to begin visiting secondary schools this year**, rather than waiting until your child is in Year 6. This helps to make an informed decision and provides families with enough time to look for alternatives, should you wish to do so.

# Assistant Principal's Report

## WELLBEING

The Resilience Project's webinar on Authentic Connections was last Monday night. Thank you to the families that registered and the staff who joined the webinar.

Martin who delivered the webinar is an ex Assistant Principal and ex AFL footballer and has delivered this session to many schools, the AFL and the NRL. Martin shared his experiences, stories and passions to help us find and make connections.

Some key take aways for me were:

- Embrace who you are and model it to your children, avoid comparison.
- Have goals not expectations. Work towards goals and learn from mistakes.
- Follow your passion - what is your passion? A passion leads to your flow which increased happiness, creativity and emotional regulation.
- Connection gives you purpose and meaning.
- Positive emotions show cognitive change - increase attention span, creativity and engagement.

**Carolyn Datson**  
Assistant Principal

## CONNECTION

## Building strong connections in your school community

### Research tell us:

**Connection** is vital to our happiness  
*(Diener and Seligman, 2002)*

**Connection** is one of the most protective factors against suicide, particularly for the young  
*(Dr Craig Hassed, The Essence of Health)*

**Connection** can help stop us from getting sick  
*(Cole, UCLA)*

When you are young, **connection** is a stronger predictor of a happy adulthood than academic performance  
*(Journal of Happiness Studies, 2012)*
