Principal's Report

PARENT TEACHER CHATS: NEXT TUESDAY AND WEDNESDAY

Don't forget to book in for a chat with your child's teacher. They provide an opportunity to share your goals for 2026 and any personal, medical or academic information or concerns.

CAR PARK REMINDER

A car park fact sheet will be sent home on Monday. Please make sure that you read this carefully. Please slow down and follow the school rules. **Solomon St** car park should be utilised by **P-2 families** and **Huntingdale Rd** car park for **Year 3-6 parents**. If you have a child in both sections of the school, you may choose which car park to use.

ANNUAL PRIVACY NOTICE FOR THE SCHOOL COMMUNITY

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the Departments School Privacy Guidelines on the Departments website: <https://www.vic.gov.au/schools-privacy-policy>. Our [Photographing, Filming and Recording Students policy](#), describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

SCHOOL COUNCIL

Just a reminder that we are seeking parent members for our School Council. If you are interested in being part of this amazing team, forms can be collected at the office. **They must be returned by 4pm as of Friday 20 February.**

ASSEMBLY – Begins Monday Feb 16 @ 2.30pm

Our first assembly for the school year will be held on Monday February 16 from 2.30. Parents are welcome to attend.

Due to growing numbers we ask that only parents whose child is receiving an award attend in person. We also send out a meeting link, so people may view the assembly from home/work. You will receive a Compass message if your child is receiving an award at the upcoming assembly.

MULTICULTURAL DAY - THURSDAY APRIL 2ND

On **Thursday April 2nd** we will be celebrating the diversity of our community. It is a day where we encourage everyone to come dressed in their cultural attire and be open to experiencing different celebrations. It is an opportunity to learn about other communities, build acceptance and understanding. As always, we are looking for individuals or groups of parents who are interested in running a cultural session. These sessions run for 40 mins (P-2) and 60 mins (3-6).

There is also an opportunity for students to perform in front of the school during lunch.. Due to high demand, performances have a max time of 3 minutes

If **you would like to run an activity** or you or your **child would like to perform**, please click on the link below

Parvyn Singh is a Punjabi-Australian singer and dancer best known for her work in Bollywood inspired psychedelic rock band The Bombay Royale, and with her father Dya Singh. Her debut solo record 'Sa', was ARIA nominated for 'Best World Music Album of the Year' 2022, and was heralded as an 'multigenre, multicultural, masterpiece'. She's performed globally from Glastonbury (UK) to Sziget (Hungary) to Womadelaide. She regularly visits India to study North Indian Classical Kathak dancing, which she combines with her up-bringing in Bharatnatyam and Punjabi folk Bhangra dance to perform and teach dance to all ages.

Josh Bennett is internationally acclaimed as a world-music prodigy, a master of many instruments from guitar and mandolin through to sitar and bouzouki. Classically trained in India, Josh hails from Pt. Ravi Shankar's lineage of sitar playing, and has even performed at his house in Delhi. He's performed worldwide alongside the greats in genres as far afield as Brazilian choro, Irish dance, Bluegrass and Indian raga. An enthusiastic, knowledgeable and charismatic teacher, he loves to pass on the joy and beauty of music to others, and will get the whole school singing Indian beat-boxing rhythms in minutes.

Our Whole School Performance: Bhangra Beats - Classical Indian to Bollywood Music and Dance

A special lunch will be available to order via Compass Canteen shortly.

ICY POLES

Our Year 6 students will be selling Zooper Dooper Icy Poles on Wednesday and Thursday at lunchtime for the remainder of Term one, to raise money for their graduation. Icy poles are \$1.

CLASSROOM CONTACT LISTS

We are currently updating our class contact lists. Class contact lists allow families to easily get in contact with one another to arrange catch-ups, birthdays etc. Parents' details are only included if you have filled in the form and ticked 'yes' to being listed. This agreement is in place for as long as your child is at MWHPS.

All prep and new families received information at the start of the year on how to join. If you did not receive a form and would like your details included, please use the following link - [Prep and New family contact details](#)

If you are a current parent who did not take up this offer last year, but would now like to be included or your details have changed, please let Julie know ASAP.

CLASS REPRESENTATIVE

Each year, we send out a call for parent class representatives. It is more of a social role which involves building school connectedness.

The Class Representative role involves:

- Supporting the class teacher when and if required.
- Providing administrative support through co-ordination, facilitation and communication to the class parent group.
- Organising social functions e.g. morning teas and dinners for the parents, class play dates for the children.
- Where requested by teachers, organising parent helpers for class activities and programs like swimming, reading, sports events etc.
- Encouraging and supporting the members of the class group to get involved in school community activities and events.
- Welcoming new families to the class and arranging appropriate introductions with other parents of the class.

If you are interested in being a representative please email or speak to Julie up at the office.

Let's celebrate...

- Our preps for getting through their first full week of school!
- Chinese New Year - 'Double Fire' energy to those born in the Year of the Horse. The horse represents freedom, strength and passion. Paired with Fire, it signifies 'Great Yang' energy. A time for creative risk taking, re-invention and fast-paced progress.
