Principal's Report

AUSSIE OF THE MONTH

Congratulations to Sammy for being selected as the Junior Aussie of the Month!

Mrs Fathers wrote the following:

A caring, friendly and thoughtful student, Sammy enters the classroom with a smile on her face every day. She demonstrates an eagerness to do her best and makes the most of each learning opportunity. Sammy consistently shows a positive attitude to learning and is able to articulate her thoughts and understandings. In addition to being a great learner, she also shows great respect and kindness to her friends and teachers. Sammy, you are a valued member of our class and you make our classroom a happier place to be.

Well done Sammy!

SWIMMING & CAMPS PROGRAM

All our Term 4 camps and the swimming program have been posted on Compass in the last week or so. This is to provide families with enough time to save up for these programs. As Christmas looms, we know that it can be tough for families. We have access to a couple of organisations that can support families financially. Whilst they won't cover the whole cost, they will cover a good proportion. Please reach out to me, if you would like to access support.

FLOODING IN NEPAL

One of our junior school students spoke about the flooding of Nepal at Monday's assembly. After watching footage, Charlie in 1M wanted to reach out and make a difference. He has given money and identified Unicef as a good charity to donate towards. Here is the link should you wish to contribute.

[UNICEF Nepal Flash Flood Appeal](#)

It is inspiring to see such a young student who wants to make a difference. Their passion, compassion and willingness to take action remind us that you are never too young to make a positive impact. Well done Charlie!

END OF TERM CELEBRATION - FOOTY DAY

PERSONAL MESSAGES

Just a gentle reminder that, where possible, personal messages for students that are **not urgent** are best left until after school hours. We have noticed an increase in requests from parents asking to speak with their child during the school day.

We are always happy to pass on an important message to your child; however, we kindly ask that you avoid requesting phone calls during learning/school time unless it is absolutely necessary. This helps us minimise interruptions and ensure our students can remain focused on their learning.

PARENT OPINION SURVEY

Just a reminder that you have until **Friday 18 September** to complete the survey.

At the moment, we have 38 families (approximately 10%) who have completed the questionnaire. We would really love to hear from more of our families, as your feedback is incredibly valuable and helps us to understand what we are doing well and where we can continue to improve.

Details about the survey were sent out via Compass. If you haven't had a chance to complete it yet, we would really appreciate you taking a few minutes to do so.

Let's Celebrate:

- PA for organising our End of School Cook Up!
- Our School Captains for their first recess time club - Bingo! (PIC)
- Our Aths students who are off to the District Competition
- The students who were selected for the 'Basketball Gala Day' Competition tomorrow. Good luck!

WELLBEING

EMOTIONAL LITERACY

Did you know ...

- There are 27 main human emotions.
- We experience at least 1 emotion 90% of the time.
- And frequently experience positive & negative emotions at the same time.

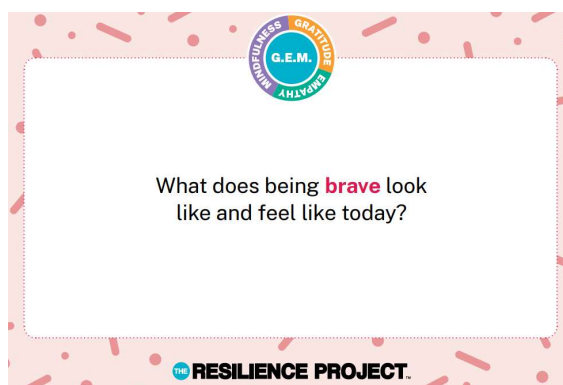

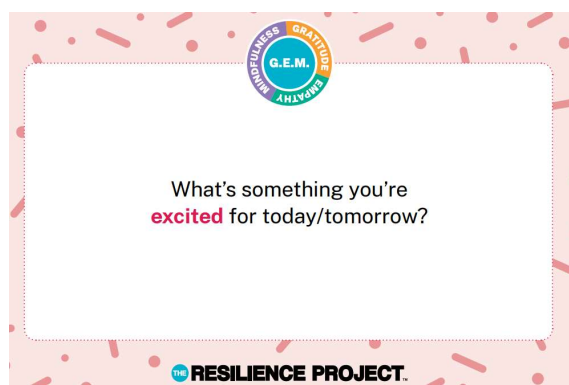

If you're interested in learning more about Emotional Literacy check out 'The Imperfects podcast'. In the below episode Dr Emily talks about the concept of Emotional Awareness, and explains why it's not only important to identify your unpleasant emotions, but why it's even more important to express them when they arise.

[Dr Emily - you are Not Your Emotions](#)

Below is a link to more of 'The Imperfects' podcast episodes on The Resilience Project website or you can listen wherever you listen to your podcasts.
