Principal's Report

ENTREPRENEUR'S DAY - OPEN TO ALL AGES (NOV 27)

Entrepreneur's Day was officially launched last year and was a tremendous success, exceeding our expectations. This year's event will take place on Friday, November 27.

Mrs Datson and I are often approached by students keen to sell items they have made, and Entrepreneur's Day provides the perfect opportunity for them to turn their ideas into reality. Students can showcase their creativity, whilst building their business and entrepreneurial skills. It is also a great way to learn about the value of giving back, with 50% of the money raised going to the **Kmart Wishing Tree Appeal** which supports families in need at Christmas and beyond. The remaining 50% will contribute to the 2026 Parents Association's fundraising efforts.

We can't wait to see their ideas come to life!

A few rules:

- Students **cannot buy** items to sell on the day; all products must be made, created, baked or designed by the students themselves.
- Costs of all materials used to create items are unable to be refunded.
- All projects **are completed at home**.
- Students will be provided with a table to sell their goods.
- Students must act safely, respectfully and responsibly throughout the event.
- Students may work with other students at the school.
- Parents can assist - but remember it is a student led project.

STEPS:

1. You must complete a Business Plan (Plans can be collected from your child's classroom teacher or from the office)
2. Your parents must sign the Business Plan
3. Return the form to the office and **Seek approval** from the Principal/Assistant Principal
4. Make, create and design the product or service you wish to sell. (You have 6 weeks)
5. Create advertising materials—such as posters or signs—to be displayed on the day.
6. Prepare pricing, practise customer interactions, and ensure your stall is ready for launch.

Before launching our Entrepreneurship Day, students will be guided through a clear set of expectations to ensure the event runs smoothly and safely. They must come prepared with all required materials, understand their product or service, and are ready to go.

Applications close Friday 6th November.

SWIMMING

It was great to see the students at the pool yesterday. A big thank you to Kate for organising swimming and to all the volunteers that supported the program.

FORMING GRADES FOR 2027

Shortly, teachers will begin the process of organising next year's grades. This process takes several weeks and involves all staff in developing well-balanced classes for optimal learning. Input from class teachers, parents and children are taken into account, in conjunction with learning and social considerations. Parents with particular information, they would like considered during this process, may put their request in writing to me **no later than Friday 30 October**. Requests may relate to social, family or learning matters. Please note that requests for particular teachers will not be supported, unless there are extenuating circumstances. If you would like to discuss your request, please feel free to make an appointment to speak with me.

Requests may be forwarded to the office in writing or to my email address:

sharon.reiss-stone@education.vic.gov.au

If you have already spoken to me about a request or consideration for 2027, please still email the details through. While I do my best to keep accurate notes of our conversations, circumstances can change, and I want to ensure that I have the most up-to-date information when finalising plans for 2027.

Please note that **late requests will not** be accepted.

If you are planning on leaving Mount Waverley Heights at the end of the year, we ask that you also please let us know as soon as possible, so that this can also be taken into account when preparing classes.

NAPLAN DATA

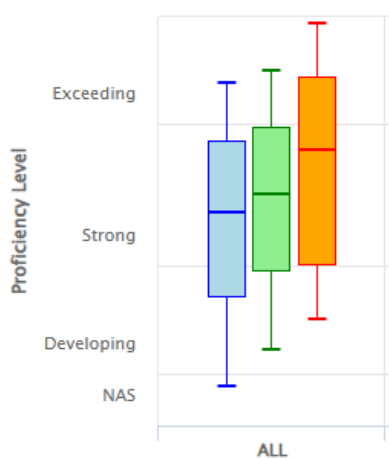

Naplan data has finally been released with all data sets present. Our Year 3 cohort had major difficulties with the online platform in the Reading assessment and we know that this has played a role in the outcome.

Whilst the results are still strong we were expecting them to be a little higher. Overall, it is great to see our school continue to excel.

The dark line in the middle of the rectangles indicates the average. The rectangle is where 50% of our students sit and the lines (north and south) indicate the lowest score and the highest score.

COLOUR FUN RUN

It's back! Our Colour Fun Run will be held on Thursday 19 November. More information on signing up is further in the newsletter. Kmart & Target sell cheap white T-shirts which sell out in Term 4 due to so many Schools running their Colour Run events, so I suggest that you start looking and purchasing now!

CURRICULUM DAY

Just a reminder that Monday 2 Nov is our last Curriculum Day for the year.

Let's Celebrate:

- Harry and Miller who will be off to the Eastern Metropolitan Region Aths Competition
- Our NAPLAN data. Well done to all involved!
- Mrs Black for organising a great swimming program
- All our volunteers for helping out with swimming

WELLBEING

Respectful, safe, engaged: shared expectations to support student behaviour

When schools, families and students work together, we achieve the best outcomes. These partnerships are essential to creating school environments that support all students to belong, learn and thrive.

We encourage everyone to share in our school expectations—Be Respectful, Be Responsible, and Be Inclusive—which we explicitly teach to help all our students and staff feel supported, valued, and ready to thrive together!

At MWHPS all students are expected to be respectful, safe, and engaged. These behaviours help make our school a place where everyone can achieve their best. As a parent and carer, you play a vital role in helping your child to understand and meet shared behaviour expectations.

How parents and carers can help

As a parent and carer, you play a vital role in helping your child to understand and meet shared behaviour expectations.

By modelling and encouraging positive behaviour, you help your child build the skills and habits they need to be successful at school.

You can see the [Respectful, safe, engaged: shared expectations to support student behaviour statement](#) on the department's website. This outlines the shared expectations and how you can help.

Further information, resources and support are available at [Supporting positive behaviour in Victorian government schools](#).

Colour Fun Run

🎉 Get ready to run wild at the 2026 MWHPS Colour Fun Run! The kids have been asking and it's finally here!

Jump in now! Set up your child's [My Profile Page](#) – it's quick, easy and super fun.

We also have some amazing bonuses up for grabs:

- Every student who registers gets rainbow sunglasses and a headband for the day and to keep!
- The class with the most profiles registered at the end of week one will win a freddo frog each!
- The first grade to hit 90% registrations with min \$10 raised each will win a zooper dooper each!
- We will have lots of challenges and fun prizes along the way including the weekly highest fundraiser award, free dress day for the grade that raises the highest average per student
- Slime a teacher opportunity – this year there will be a few ways to get the opportunity to be one of the students who gets to slime a teacher!
 - o Top 10 fundraisers will automatically be official slimmers
 - o Receive donations on four different days and go into the draw to be a slimmer
 - o Raise \$100 and go into the draw to be a slimmer

Together, we can achieve amazing results for our school!

PE News

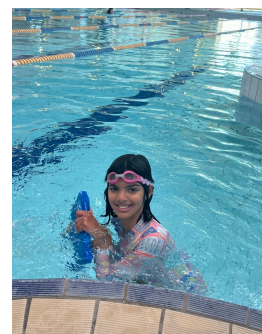

Monash Waverley Division Interschool Sports

Congratulations to the Softball team who competed at Monash Waverley Division Finals on Tuesday. They all played well as a team and tried their best. They represented the school in a positive, friendly manner.

Good luck to the Cricket team who will be competing tomorrow at Lum Road Reserve. The Hot Shots Tennis was postponed due to the weather but has been rescheduled for Tuesday 20th October at Tally Ho Tennis Club.

Swimming Program

The swimming program was completed today with the final day being the Water Safety Day. Students were to swim without goggles and in their tshirt & shorts for part of the session to simulate what it would be like if they accidentally fell into the water without being prepared. Students also learnt how to put life jackets on and what it feels like in the water with one on. A huge thank you to all the parents who have assisted over the last two weeks on the bus. Also to the staff who have attended the sessions, it always is a big couple of weeks!

♥ Coming Up | World Teachers' Day | Friday 30 October ♥

On Friday 30 October, we'll be celebrating World Teachers' Day and recognising our wonderful teachers and school staff for everything they do to support our children.

The Parents' Association is planning a special Burger Bar lunch for all teachers and staff, and we'd love the school community to get involved by donating some items to help make it a treat!

We're just finalising a few details with the school before sharing the donation sign-up and further information via Compass. Keep an eye out for the upcoming post if you'd like to contribute.

Our school community is always incredibly generous, and we look forward to coming together to show our appreciation for the amazing people who make our school such a special place.

Thank you!
