Principal's Report

AUSSIE OF THE MONTH

Congratulations to Ava who is our Aussie of the Month. Her teacher wrote the following:

Ava, you are a truly outstanding role model who consistently embodies our school values of being respectful, responsible, and inclusive every single day. Highly regarded by teachers and leaders across the school, your positive thinking and genuine love for learning inspire students of all ages. You bravely jump into every task with enthusiasm, always having a go even when something feels tricky or challenging. In class, you show incredible emotional maturity, gently guiding your peers to negotiate, overcome obstacles, and work together peacefully. Your welcoming nature is felt by everyone, whether you are greeting students across all year levels with a bright smile or stepping up to visit the kindergarten to prepare for buddy leadership. Your responsible mindset and dedication to bringing out the best in others make our school community a kinder and brighter place.

Congratulations, Ava, on receiving this prestigious and well-deserved Aussie of the Month award!

SPORTING ACHIEVEMENT: HARRY & MILLER

Congratulations to Harry who came 10th in the 1500m and Miller who came 3rd in triple jump (8.3m). An extraordinary effort from both!

CURRICULUM DAY

Just a reminder that Monday 2 Nov is our last Curriculum Day for the year.

NEW SMARTGLASSES AND COVERT FILMING DEVICES BANNED

Smart glasses raise significant child safety, wellbeing, privacy, data security and student learning risks. Under the new Smart Glasses and Covert Filming Devices policy the government has banned the wearing of these in Victorian public schools, or at school-organised events and activities. This ban applies to **students, staff, parents and carers**, contractors, volunteers, visitors or third party use of school facility groups.

WORLD TEACHERS' DAY

Next Friday, 30 October, is World Teachers' Day! Our student captains have been hard at work organising a special event to celebrate our dedicated and passionate teaching team. It is lovely to watch our leaders create ideas and prepare for the day with enthusiasm and appreciation.

The theme is 'Shine a light on teachers'. We want to shine a light on our teachers who work so hard, have every child's best interest at heart and put in many hours above and beyond the job! They are a brilliant group of people who deserve recognition.

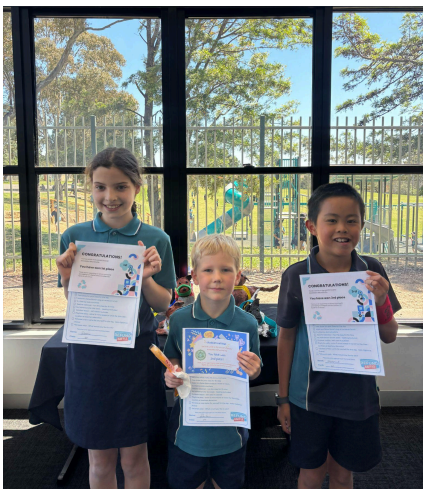

Alongside a range of celebrations throughout the day our Parents Association will also be hosting a special lunch for the team. Thank you in advance to all those involved.

EVACUATION PRACTICE

Yesterday, we practiced our evacuation drill during recess time. Our students were amazing! They quickly and sensibly walked to the basketball courts. We had everyone evacuated in a record time of 2min and 39 seconds! These practice drills that we do each term, help to ensure that our students and staff know exactly what to do in case of a real emergency.

RECYCLING WINNERS

Thank you to the families who recycled items and donated the money to the school. All participants were placed in a raffle to win one of 3 prizes. Each winner will be able to select their own prize from a list of options.
Congratulations to …
1st - Beatrix (4S)
2nd - Reuben (PT)
3rd - Freddy (4C)

Thank you to everyone who participated and to PA for organising this fundraising event.

ENTREPRENEUR'S DAY - OPEN TO ALL AGES (NOV 27)

Entrepreneur's Day was officially launched last year and was a tremendous success, exceeding our expectations. This year's event will take place on Friday, November 27.

Mrs Datson and I are often approached by students keen to sell items they have made, and Entrepreneur's Day provides the perfect opportunity for them to turn their ideas into reality. Students can showcase their creativity, whilst building their business and entrepreneurial skills. It is also a great way to learn about the value of giving back, with 50% of the money raised going to the **Kmart Wishing Tree Appeal** which supports families in need at Christmas and beyond. The remaining 50% will contribute to the 2026 Parents Association's fundraising efforts.

Business Plans need to be submitted by Friday 6 November

We can't wait to see their ideas come to life!

We have an assembly this coming Monday for P-2. Parents are welcome to attend.

WELLBEING - Student Support Group (SSG) Meetings

Some families within our school community participate in Student Support Group (SSG) meetings. An SSG is a collaborative partnership between our school, parents/carers, the student, and relevant support agencies. Together, we work to plan and support the educational, health, social, cultural, and emotional well-being of students with diverse learning needs.

Meetings are held regularly—at least once a term for students supported by the Program for Students with Disabilities (PSD) or Disability Inclusion.

When are SSGs established?

- Required: Schools must establish an SSG for students supported by Disability Inclusion or the Program for Students with Disabilities (PSD).
- Required: Schools must establish an SSG for every child and young person in out-of-home care (OoHC).
- Encouraged: An SSG is strongly encouraged for any student with diverse learning needs.
- Supportive: Schools must provide support for students at risk of attendance- or behavior-related issues, and an SSG can assist the school in delivering appropriate and effective support.

An SSG is responsible for developing and implementing an Individual Education Plan (IEP).

An IEP:

- Outlines clear educational goals for the student.
- Is strengths-based, focusing on the student's potential to achieve positive educational outcomes.
- Communicates individual and shared responsibilities.
- Includes a record of important decisions, actions, and student progress.

Families who have SSG meetings have been contacted and meetings will be held next week.

Monash Waverley Division Interschool Sports

Congratulations to all the students who competed at the Monash Waverley Division Interschool Sports Days. We had the Cricket team compete last Friday, the Softball team compete last Tuesday and the Hot Shots Tennis team Tuesday just gone. From all reports from the teachers who went with them the students all participated to the best of their abilities, working well together as a team and showed amazing sportsmanship. A huge thank you to both Scott and Angela who took the teams as well as the parents who assisted by transporting the students to and from the different venues. Below are a few photos from the different days.
