ICAS Program, Year 2 – 6 Students

Wednesday 22nd February, 2017

Dear Parents,

The International Competitions and Assessments for Schools (ICAS) is a skill-based assessment program which recognises and rewards student achievement. Students from over 20 countries participate in ICAS, and this year we are offering testing in English, Mathematics and Science for students in Years 2, 3, 4, 5 and 6.

Many students from Mount Waverley Heights Primary School have participated in the competitions and have found them to be a positive and worthwhile experience. All students receive a certificate, with merits, credits, distinctions and high distinctions being awarded to top performers.

Testing Dates:

Science: Tuesday 30th May
English: Tuesday 1st August
Mathematics: Tuesday 15th August

Cost: \$8.00 per competition

Yours sincerely,

Frieda Apostolopoulos
 ICAS Coordinator
