**Principal’s Report:**

**AUSSIE OF THE MONTH – FOR MAY**
Congratulations to Angela S for being selected as Aussie of the Month for May. Angela always displays our school expectations in the classroom, playground and in all specialist areas. A kind and inclusive student, Angela shows a caring attitude to others and always lends a hand without being asked.

**CONGRATULATIONS TO ALL OUR END OF TERM AWARD WINNERS**
You should feel very proud of your achievements. Well Done!

END OF TERM BBQ: ‘PERSONAL BESTS’ – (PB’S)
WOW! We had 46 students join Carolyn and myself for lunch yesterday! So many kids who earned four or more PB’s for the term. Over ¼ of our student population – an awesome effort. Congratulations to the following students....

YEAR 5/6 CAMP
Congratulations to all our Year 5/6 students who represented themselves, their families and the school brilliantly at our school camp last week. I really enjoyed attending camp with the students, Ms Hannah, Mrs Davis and Mr Greg Ajani. The camp was fantastic and we all learnt so much about how indigenous people, early settlers and today’s farmers use the land. It was particularly interesting to find out about the sustainable and environmental practices utilised by Narmbool farmers, which emphasised the need for us to continue to focus on reducing our carbon footprint at MWHPS. Thank you to the teachers and to Greg for attending camp: for their enthusiasm, energy, care and positivity that they brought to the camp, ensuring that the students were in the best possible care. Check out the photos at the end of my message.

THANK YOU TO MRS GROLL
I would just like to thank Miss Petra Groll who kindly stepped into Mrs Douglas’ shoes whilst she was on leave. Petra is a fantastic teacher who knows our kids so well and fits in with the staff so easily. Not to mention all the extra work Petra does to ensure that the work continues as planned. She even attends extra school functions and activities (like our school disco) – way beyond her duties. Thank you Petra!

MID YEAR REPORTS/PORTFOLIOS AND ONLINE INTERVIEW BOOKINGS
It is hard to believe that the first half of the school year is nearly over. It only seems like yesterday that the first day of school was here and everyone was in new classrooms and making new friends. Six months later it is time to look back and see the progress that has happened, as well as looking forward to setting new goals for the second half of the year.

Your child’s mid-year report was sent home today. These reports provide an opportunity to read about your child’s progress and the steps he or she has taken over the year so far. I have loved reading your child’s reflection of Semester One. Our students have been extremely honest and perceptive regarding their areas for improvement. Portfolios (samples of your child’s work) have also been sent home for students in Prep to Year 2 today. Student Led Conferences will take place for students in Years 3-6 and portfolios for students at these levels will be sent home after your child’s interview in Term 3.

Interviews to discuss your child’s progress and future learning goals will be held in classrooms in the third week of Term 3, on Wednesday July 27 and on Thursday July 28 (late night interviews). Please note, that Friday July 28 is a Curriculum Day. The School Online Interview Booking will open on Monday – 11 July at 8:30am.
Please ensure that you have set up the parent portal (SENTRAL) as instructed through the handout that was distributed last week. If you have any issues please see Carolyn Datson.

I would like to acknowledge and thank Carolyn for all her work on establishing our new reporting system and assisting staff with the process. A huge task!

**ELECTION DAY BBQ**

If you haven’t already done so, please sign up to help out at the Election Day BBQ. It has always been one of our biggest fundraisers, **but we do need parent volunteers**. Thank you if you have already donated your time.

**NARA SHOWCASE – YEAR 4 COMMUNITY PLACEMENT PROJECT**

Nara Showcase- Year 4 Community Placement Project. During the Month of May, our Year 4 students travelled to Nara Preschool as part of our community placement project. The project aims to build the students leadership skills and build a sense of community service – giving up your time for others. The project was to co-develop a narrative with the preschool children. The first phase of the placement was building relationships and getting to know the kinder kids. Finding out about their interests and hobbies. The second stage was developing the story together and the final steps - illustrating their narratives. At Tuesday night’s showcase, the final products were revealed and each author was able to take a published copy of their narrative home. Congratulations to our Year 4’s and their teachers for holding a great celebration on Tuesday night. The narratives the Year 4’s co-constructed with the preschoolers were brilliant! I loved the storylines - wonder woman v's dinosaurs, Planet Nara and so much more. Such creativity!

**STRATEGIC PLAN – ONLINE SURVEY**

Thank you to all the parents who completed the online survey, we had a great response, which will provide us with information that will be used for the review process in Term 3.

**FINAL ASSEMBLY**

Just a reminder that school finishes at 2.30 this Friday. We will be having a very short, final assembly at 2.15pm in the Dream Space (weather permitting). Students will be dismissed straight from assembly.

**BOOK SWAP LIBRARY FUNDRAISER**

During Book week in Term 3 (August) we will be holding a book swap library fundraiser. We will be asking students to bring a second hand book to school, which will be sold to the student community for a small fee. Money raised will go towards purchasing more new books for the school. More details will be sent home in Term 3. If you happen to be cleaning out your cupboards these holidays, please spare a thought for our book swap fundraiser.

I wish all members of our community a safe and restful holiday!

**DATES TO REMEMBER:**

- **Friday 24 June**: Final end of term assembly at 2.15pm. **Students are dismissed at 2.30pm.**
- **Saturday 2 July**: Election Day School Fundraiser, please volunteer (refer above link)
- **Monday 11 July**: Term 3 commences
- **Thursday 14 July**: State Cross Country
- **Wednesday 20 July**: School Council Meeting
- **Friday 22 July**: Piece Together Prep Program 2.00-3.00pm
- **Wednesday 27 July**: Parent Teacher Interviews
- **Thursday 28 July**: Parent Teacher Interviews
- **Friday 29 July**: Curriculum Day – no students at school
- **Thursday 1 September**: School Production Night
CALENDAR FOR TERM 3 ATTACHED – Please remember dates do change, so please check the schools website and newsletter for updates.

LET’S CELEBRATE
- All the students who earned 4 or more PB’s – Congratulations.
- Onesies Day today – See pics below, so much fun and a great way to raise money for a worthy cause; $176.00 raised for WWF.

PJ / Onesies Day

What is WWF?
WWF is known for helping endangered species. They work in 100 countries and are also supported by 1.2 million members in the U.S and close to five million globally. WWF has worked more than 50 years to protect the future of nature. They also let you adopt animals.

What WWF does to help?
WWF protects and restore species and their habitats and ensure that the value of nature is reflected in decisions made by individuals, governments, communities and business.

Why we support WWF
Across the school we have been studying ‘Sustainability’ through our inquiry topic. When humans clear animal habitats, when we litter and pollute our environment - animals suffer. We chose WWF specifically because we love helping animals and we would love to support them. We know that some animals have been suffering and have been through tough times such as elephants. And so we decided to help them. We know littering is a major issue to the environment and the world. So the Sustainability team would like to say please do NOT litter as it harms animals and plants.

Assistant Principal’s Report:

YEAR 1/2’s ANIMAL DIORAMAS
Last Friday, I was invited by the Year 1/2’s to come and view their animal dioramas, projects and reflections. The room was set up like an expo and the students stood behind their work ready to explain what they had done. The Year 1/2’s also invited the other classes to come and view their projects. It was a fantastic way for the students to present their amazing work and you could tell the students were very, very proud of what they had achieved. Well done!

PARENT PORTAL
We have distributed the letters regarding our Parent Portal. We have had many families register and if you have not registered yet, it is really important that you do. Registering is easy, all you need is an email address and the family specific code that is in the letter you received.

Log onto your account

Create your account and Wait for us to approve your registration.

Make up a password

The link for the portal is on our website or type in https://sentral.mountwaverleyheightsp.s.vic.edu.au/portal/login
Once registered, we will approve your registration and you will be notified via email that your registration has been successful. If you do not have internet access at home, please come and see me. Jennifer Ajani has kindly offered to help people register at the office on Monday 11th July if you need assistance.
NARA SHOWCASE
On Tuesday night we held our Nara Showcase in the Prep building. The Showcase is a celebration of the fantastic stories our Year 4 students and the 4 Year Old Nara Preschool students have written together. It was well attended by Nara families and our Year 4 families. The Year 4’s visited Nara for 4 weeks and in those 4 weeks students worked with a Nara ‘buddy’ to write and illustrate a story book together. All students, families and kinder children enjoyed the night and seeing their finished product. Thank you to Mrs Snadden and Miss Sullivan for working on this project, to our Year 4 students for working so well with the preschool children, to Nara and their wonderful families and students and to our very wonderful support team who prepared the books among other things, Linda and Helen!!

PHYSICAL EDUCATION NOTES
Well done to all the students who participated in running club this term. A special mention goes to those students who, even on very frosty mornings came and did running club. They are: Joel, Dai, Ruby, Will T, Erin, Sam T, Luke, Jackson, Gu and Will P. What dedication! As the weather is a little unpredictable at this stage, running club will be postponed for Term 3.

- Hopefully as the weather improves in Term 4 we can kick it off again! So remember NO running club in Term 3!
- The Winter Sport ladders have been finalised: AFL finished 3rd, Soccer Rounders finished 4th, Mixed Netball finished 5th and CONGRATULATIONS to the girls netball team that finished 2nd and will play in the Mount Waverley Division finals on Tuesday 9th August at Jells Park from 10am. More details to follow.
- Term 3 dates to remember: 12th August SDSSA Winter Lightening Sport Premiership and 9th September SDSSA Basketball Round Robin. Details from the district are still coming in.
- The Swimming Program is Term 3. The swimming program is an important aspect of the Physical Education program. It is compulsory, not optional. I am hoping to get 100% attendance from all students; after all learning to swim is a vital life skill. Swimming lessons will take place at Huntingtower School. If you have any questions please come and see me. More details early Term 3.

What a wonderful Term 2, have a happy and safe school holiday break!

Thanks

Carolyn

This week’s eSmart focus is about remembering to be cautious about your actions online as what you mean to say may not always come across the way you mean it! It also makes us think about how we shouldn’t pretend to be someone else online.
Primary: I didn’t mean it

Pretending to be someone else online or offline may seem like a joke but it is actually lying.

What’s the issue?

When you are playing around on the web or using other online communication tools you can forget that you are actually still interacting with real people. What you do will affect them, often in ways that you didn’t intend. It can be even harder to judge other people's reactions online than face-to-face, so you have to be even more cautious about your actions.

Why does it matter?

- Pretending to be someone else online or offline can be identity fraud, which is illegal.
- Your online activities affect your offline relationships.
- You can’t always judge correctly, or control, what effect your actions will have on other people or situations.
- Making other people the target of your pranks and jokes is often not funny for them. If it is deliberate and ongoing, or other people join in, it is bullying.

Advice

It’s better to be you!
- You can use pseudonyms to protect your identity but the only way to develop real friendships is by being a real person. People should know that the ‘you’ they are interacting with is the real you.

Use your imagination to think about cause and effect
- Stop and think about what possible outcomes your actions might have, don’t just think of one — go wild! You might change your mind once you think through the possible consequences.

People react in all different ways
- Sometimes we feel like we know someone so well we know exactly how they will feel and what they will do in a specific situation. You have to be careful not to overdo the guesswork though because things change and you don’t know what someone may be feeling or experiencing at any particular time.
Students in 1/2M created their ideal garden as part of their sustainability unit. They added flora and fauna that they wanted to see.

**Artist of the Week:**
**Alexia in 5/6H!**

Mermaids are a common theme in Alexia’s artwork, and she has produced this beautiful character using greylead pencil, then decorated the background with washed out poster paints. The Year 5/6s have been practicing drawing cartoon characters, creating their own, and making flip-books. What a talented artist Alexia is!

**Book Week Stall in August**
We are having a second hand book stall for the students during Book Week which is in August. If anyone is doing a clean up over the holidays and has any children’s books to donate, put them aside to be dropped off in Term 3. More information to follow next term.
Family Dinner Night Friday 17th June

Each term we have a family dinner at a local venue and last Friday night our dinner was at the Monash Hotel. Thank you to everyone who came along. There were both old and new faces that came along on the evening. If you know of a venue that would be a great place to go to please let us know!

Extend OSHC at Mount Waverley Heights Primary School

We did science at after school care this week! I really enjoyed it! I liked the explosion we did – it was hilarious – we used hydrogen peroxide, hot water, dish-washing liquid and yeast. We learnt that yeast is alive and you use it to make bread!!! We made bath salts this week, and it was fun, I go to decorate the jar I put them in. I used my bath salts in the bath at home and it was fun and relaxing, it made my bath go green!!!! - Summer 1/2 A

Winter Holiday Program Bookings are Open!

We have heaps of fun activities planned these school holidays and can’t wait for you to attend! Join in on Extend’s own mini Olympics tournament and aim for gold! Have fun with science experiments, come along in costume and join in on our party afternoons, and participate in a bunch of craft activities and team games. Join in on all this and more at Extend’s Winter Holiday Program.
