

Year 2 Sleepover

20th October, 2016

Dear Parents,

As part of the school camping program, students in Year 2 will be having a sleepover at school. This is a great event and a significant and important transition to the Year 3-6 extended camps. The sleepover assists in building the children's independence, as well as supporting personal development through social activities with their peers. The details of our sleepover are as follows:

Date:	Friday 11 th November, 2016
Venue:	Mount Waverley Heights Performing Arts Centre and 1/2A & 1/2M Classrooms
Time:	5.00pm (Fri Nov 11) until 8.00am (Sat Nov 12)
Cost:	\$12.00

Organisation of the Sleepover:

Students are to arrive at the car park end of the Junior School Building at 5.00pm. Please sign your child in. Students will drop off their sleeping gear and overnight bags (see packing list) into the classrooms. We ask that students be showered before they come and that they arrive in casual clothes (no school uniform required).

We will then move into the Performing Arts Centre where students will participate in a range of activities and will also eat dinner here before moving back into their classrooms for some quiet activities before going to sleep.

Year 2 girls will sleep in the 1/2A classroom and Year 2 boys will sleep in the 1/2M classroom.

In the morning students will get changed, pack up their belongings and have breakfast. Students are to be collected by parents at 8.00am from the Year 1/2 classrooms the following day.

The staff attending the sleepover will be Carolyn Datson and the 1/2 classroom teachers, Alec McPhee and Frieda Apostolopoulos.
