

Zart Education and Yes2Wellbeing Incursions

20th November 2017

Dear Parents

As a celebration of what has been a wonderful year of learning, the Year 1/2 students will be treated to two in-school incursions including; a crafty session with an expert from the art supply company Zart Education, and a Yes2Wellbeing workshop that provides students with fun, physical and useful strategies to help them be the best they can be!

Zart Education Incursion: Students will complete two craft projects; the first being a glass stone painting, and the second being a collage activity where students decorate a journal that they can keep or use as a gift to give to somebody else. Both pieces of art work will come home with the students. The session will allow for students to create their craft projects using a Christmas theme, however, if you do not wish for your child to use this theme, an alternative theme will be provided. Please indicate on the form below if your child requires the alternate theme.

Yes2Wellbeing Incursion: Students will participate in an interactive, engaging, and fun workshop that helps them to develop strategies and tools that allow them to be the very best version of themselves. The session will be conducted by Jacklyn Mahony who has over 17 years teaching experience, both in physical education and the classroom. She has a passion for empowering children to use both physical movement and mindfulness to connect with themselves and then their outer world.

The details are as follows:

Zart Educational Incursion

Date: Tuesday 5th December
Venue: Mount Waverley Heights PS
Time: Session 1- 10am-11am;
Session 2- 11:30am-12:30am (1 class per session)
