CELEBRATIONS

- COMMEMORATIVE BOOK -

This special edition book captures the journey that the school has made over the past 50 years in photographs and memories shared by past and present teachers, families and students.

It is full of incredible photographs and stories from the past 50 years – from the students to the staff; from the academic to the sporting...we have covered the fire, the new buildings, the opening of the dream space...and even a little trip down memory lane to the 25 year celebrations. Jane has managed to get all of this into a 72 page soft cover book that will look incredible on the shelves of a library or on your coffee table!

To order please complete the payment details below and email to mwhpsfete@gmail.com or hand into the office before the 21st September 2017.
